The program began with the welcome address by Ms. Srelekha, final year student, from the Department of Commerce. Dr. (Sr.) Jaya Santhi R., Principal of our college addressed the gathering and insisted on the significance of placement drive and encouraged the students to make use of the golden opportunity provided to them. HR from Layam group of companies (Mutshiba, Yamaha, Pegatron, Tata Electronics), Jubilant, Crenodez, Armsoft Tech, i2 solution and Ocean software were available in the campus and conducted interviews for our students.

The students had come prepared for the interview. About 683 students from shift I and shift II had registered for the placement drive. All the HR from their firm gave an introduction on their companies so that the students could choose their choice of interest. One to one session of interview was conducted and about 200 students were selected for round one.
