The programme was scheduled in two sessions. The final year undergraduate students from shift I, were present in the college auditorium to attend the programme between 12.30 to 1.30 pm. The shift II undergraduate students were present for the programme between 1.45 to 2.30 pm. The resource persons, one after the other engaged the students and briefed the students about the skill development programme and how the students will get prepared to face the job interviews in future. The students actively participated in the programme and interacted with the resource persons to clarify their doubts. The programme ended with a vote of thanks given by Haritha A. A, from III B.Sc. Computer Science.
