**18/11/2023: "IBM Skill Build Programme Launch"**

On 18th November 2023, Auxilium college Career guidance and placement cell organised IBM Skill build Programme Launch.The programme was coordinated by Dr. Auxilia Antony along with organising team. The Resource persons were Sr.Isabella , Director of Aruwye, Mr.Francis Xavier CSR, Monitoring and Evaluation officer and Mr. Vijuson , project associate & IBM Trainer. The students were asked to register in the IBM website and instructed to complete the course and thereby receive their online certificates. .577 students from Shift I and Shift II took part and benefited in this programme.This will be helpful for the students during the placement drive to be held in the Month of February conducted by IBM. IBM Trainers assisted the students for the soft skill training and mentioned about the courses offered which will add on weightage to their profile and help them for the job placement in the future
