

## Independence Day Celebrations

The Department of History proudly organized a Poster Presentation celebrating the spirit of our nation!

Students expressed:

Patriotism & Sacrifice – Honouring our leaders who fought for freedom.

Unity in Diversity – Cultures, languages & traditions beautifully symbolized through the Tiranga.

Peace & Harmony– Building bridges across religions for mutual respect.

Education for All – A key to progress & justice.

Special thanks to Dr. Gowthama Selvi, who served as the jury and appreciated the creative expressions of our students.

This event truly reminded us that India's strength lies in diversity, unity, and the shared responsibility of every citizen.
