Educating community meeting started at 5pm in the Admin Block Auditorium. The event started with the Prayer invoking the blessings of God on all the members of the Educating community members comprises of College Union leaders, Association secretaries, parents of the students and Staff members. The Prayer led by Ms.Anita Madonna. Followed by the welcome address delivered by Dr.Preethi Prabakaran of BHA Department. The programme started with the facilitating the students community to speak about the various gifts they enjoy in the campus. The students came out with the answers like clean campus, family atmosphere, value Presentation, skill development, online learning, smart usage of Phone and recognition and appreciation by the faculty members. The same questions were put forth from the parents. They gave the answers like active participation of students in all the level, safer feeling in the college, offering of more courses and discipline and character formation. The staff answered fulfilment and satisfaction in imparting knowledge to the students. Followed by this Sr.Secretary addressed the parents for appreciating in placing the trust in the management and asking the parents to be friendly and role models. She insisted the parents to share their life struggle with the students. Followed by this Sr.Principal addressed the parents the challenges faced by the students because of their emotional imbalance and maturity. As a result they do not fare well in their studies and due to the non-cooperation of the parents the management is not able to get the desired results. She raised the question about what could be the response of the management when the students run away with the boyfriend. Some of the parents suggested being strict with them, to forgive and allow them to continue their studies, and to undertake a affidavit if something happens like this they won't be allowed to continue their studies or it would be a prior warning to them not to happen such a event. Sr. Principal concluded the session that peer group influence can bring about a better result and awareness on the bad consequences of early marriage or running away. The meet ended with the vote of thanks proposed by Dr.Sangeetha Rani,

from the Department of Chemistry who expressed gratitude to every one for their valuable presence and suggestions.
