

Event: Book Release – Eco-Nurturers of Tamil Nadu

Date: 05.06.2025

Organized by: Enviro Club (Shift I)

Academic Year: 2025-2026

Report:

On the occasion of World Environment Day, celebrated on 5th June 2025, the Enviro Club of Auxilium College (Autonomous), Vellore, proudly released a thought-provoking and inspiring book titled “Eco-Nurturers of Tamil Nadu.” This remarkable publication is a compilation of insightful environmental writings and success stories contributed by the talented students of the college. The book has been meticulously edited by Dr. Isabella Rosaline S, Associate Professor and Head (Retried), Department of Botany.

The event was graced by the esteemed presence of the Principal, Dr. Sr. Arokia Jayaceli A. and the Secretary, Rev. Dr.Sr.Mary Josephine Rani A., Mr.Dinesh Saravanan, Environmentalist, Vellore who officially unveiled the book. The dignitaries commended the students for their creativity and concern for the environment and praised Dr. Isabella for her unwavering dedication to nurturing environmental awareness and action among the youth.

The book **Eco-Nurturers of Tamil Nadu** aims to highlight the efforts of young environmentalists, promote sustainable practices, and celebrate the ecological richness of the state. It stands as a testament to the Enviro Club’s mission of creating a greener, more conscious generation. The release of the book served not only as a literary milestone but also as a powerful reminder of the importance of youth participation in environmental conservation. The event concluded with a pledge to continue eco-friendly initiatives on campus and in the community.
