

**Event Name : Visiting a School for Canvassing Admission**

**Event Date : 23/02/2026**

**Place: Latteri Girls Higher Secondary School, Latteri**

**Organized by: Department of History, Auxilium College.**

**Academic Year : 2025 - 2026**

**Report :**

The Department of History of Auxilium College Vellore, organized a school visit as part of its admission canvassing programme. The main objective of the visit was to create awareness among higher secondary students about the BA History course, its academic value, and future career opportunities. Purpose of the Visit.

The visit aimed to:

- Introduce students to the BA History programme
- Explain the scope and importance of studying History
- Motivate students to pursue higher education in Arts
- Provide information about college facilities and admission procedures.

**Details of the Visit:** The faculty members visited Latteri Girls Higher Secondary School and interacted with 12th standard students. During the session, the structure of the BA History course, syllabus, and subjects offered were explained in a simple and engaging manner. The faculty members clarified their doubts and encouraged them to choose History as a meaningful and rewarding discipline.
