**Organised by : College Management**

**Academic Year : 2024 – 2025**

**Report:**

The student Union organized Auxis'25 Charity and Carnival was organized to raise funds for a larger auditorium, student scholarships, and research projects, while providing an enjoyable experience for all. The event began with a ribbon-cutting ceremony by Dr. Sr. Mary Josephine Rani, setting a positive tone for the celebrations. The carnival featured vendor and student stalls, showcasing food, jewelry, crafts, and more, along with live performances by the Tony Rock Orchestra and a DJ set. Volunteers ensured smooth coordination, and enthusiastic participation from students, staff, and visitors contributed to the event's success. Funds raised will support TDS, benefiting the transgender community, people with disabilities, and senior citizens.
