

Event Name: No Drive Day

From Date: 02.12.2025

To Date: 02.12.2025

Organized by: Auxilium Students Quality Cell (ASQC) along with IQAC

Academic Year: 2025-26

Report:

The ASQC organized a No Drive Day to create awareness about air pollution and to encourage the reduction of carbon emissions. The initiative aimed to promote eco-friendly practices among the academic community. The event not only promoted healthier lifestyle but also helped the participants experience the positive impact of reducing vehicular usage, even if only for a short distance for one day. Overall, the No Drive Day was a meaningful and successful step toward fostering environmental responsibility within the campus.
