Event Name : **"AI Industry 4.0 Tools for Innovators and Entrepreneurs."**

From Date : **02. 12. 2025**

To Date : **02. 12. 2025**

Organised by : **Department of Computer Applications (Shift II)**

Academic Year : 2025 – 2026

Report:

The Department of Computer Applications (Shift II) and the Auxilium Innovation and Incubation Centre conducted a workshop on Industry 4.0 and AI. Students learned IoT, automation, real-time data, and AI-driven decision making. Hands-on exposure was provided to AI tools for design, analytics, and coding. The use of AI tools for academics, projects, and presentations was also discussed. The program concluded with discussions on AI-based entrepreneurship and future industry opportunities.
