

Event: Debugging

From Date: 08:07:2025

To Date: 08:07:2025

Organized by: Department of Computer Science

Academic Year: 2025-2026

Report:

The activity was structured as an interactive debugging session where participants were provided with multiple code snippets containing syntactic, logic and runtime errors. The goal was to debug and correct the python programs as possible within the given time.

The event was judged by Ms. Vaishnavi S., Asst. Professor, Department of Computer Science.

The Winners are:

I Prize: Blessy Shulamite James Netto [III B.Sc. CS]

II Prize: Ezhilarasi Muruganthan [III B.Sc. CS]

III Prize: Monika Ramamoorthy [III B.Sc. CS]

Muthamizhselvi [II B.Sc. CS]
