

Event Name: Month Value Presentation – Compassion

From Date: 25.11.2025

Organized by: Department of Computer Science

Academic Year: 2025 -2026

Report:

The monthly value program focusing on **COMPASSION**, conducted by the Department of Computer Science on **November 25, 2025**, at **2:30 PM** in the Auditorium, was a successful event that commenced with the **Welcome Address** delivered by **Saliha Tazeen S I** from III CS; the program then proceeded with Sherine Christina M from III CS singing a prayer song on Compassion, followed by girls from III CS leading a universal prayer for the poor, disabled, sick, and other vulnerable groups, and included a compelling skit on Compassion which expressed Kindness, Empathy and Humanity performed by the department's girls, narrated by Monica S from III CS, and a defining Tamil speech by Swathi S, who ended with a short, impactful story; the program was further enriched by addresses from the Principal and Vice Principal, who spoke about the value and lauded the performers, concluding with the distribution of prizes to the Star Reader of the Month by the Principal, and a final Vote of Thanks, also delivered by **Saliha Tazeen S I** from III CS.
