

Student Exchange

From Date : 06.10.2025

To Date : 10.10.2025

Organized by : Department of Computer Application

Academic Year : 2025-2026

Report :

The Department of Computer Applications, in collaboration with Little Flower Degree College, Hyderabad, organized a “Five-Day National Level Faculty and Student Exchange Program” from 6th October 2025 to 10th October 2025. The program aimed to enhance academic collaboration and cultural exchange between institutions. The program was organized under the guidance of Dr. (Sr.) Mary Josephine Rani A. (Secretary), Dr. (Sr.) Arokia Jayaceli A. (Principal), and Dr. (Sr.) Amala Valarmathy A. (Vice Principal). The coordinators were Dr. Sivaranjini N., and Dr. Gina George. Faculty members and students from both colleges participated enthusiastically. The inaugural session began with a welcome address and lighting of the lamp. Resource persons delivered lectures on emerging trends in Robotics and AI. Hands-on workshops and technical sessions were conducted throughout the week. Cultural activities and campus interactions enhanced the learning experience. As part of the program, Little Flower Degree College participants visited Vellore Fort and Golden Temple. The visit offered cultural learning and historical insights into Tamil Nadu’s heritage. The program promoted both academic growth and social bonding among students.

An industrial visit to Coda Technology Solutions Pvt. Ltd. was organized to provide industry exposure. Students gained practical knowledge about software development and IT operations. Certificates were awarded to all the faculty and student participants. Overall, the five-day program with academic, industrial, and cultural visits was enriching and successful.
