

Association Activity, Poster Presentation on the Topic “Evolution of Web Technology “

From Date: 25th November 2025

To Date: 25th November 2025

Organized by: Department of Computer Application (Shift - II)

Academic Year: 2025-2026

Report:

The Department of Computer Applications (Shift II), Auxilium College (Autonomous), Vellore, organized a Poster Presentation on “Evolution of Web Technology” on November 25, 2025, at 11:30 AM in the Computer Block. Students presented posters tracing web technologies from early websites to today’s advanced platforms.

Dr. S. Tharani, Assistant Professor, judged the competition. Prize winners included Maunika Palani (II BCA), Logapriya Thiruvankadam (I BCA), and Shahida Banu Asharaf Unnisa. The activity promoted research, teamwork, and technical skills among BCA students, encouraging awareness of digital advancements.

The event successfully fostered student engagement and skill development in computer science.
