

Event Name : Study Tour

From Date : 01. 12. 2025

To Date : 03. 12. 2025

Organised by : PG Department of Social Work

Academic Year : 2025 – 2026

Report:

The II MSW students were taken on a study tour to Hyderabad as part of their academic requirements. During the tour, they visited NGO People Helping Children, where they learned about child welfare interventions and community-based support services. The students also visited the National Institute for the Empowerment of Persons with Intellectual Disabilities (NIEPID) to understand rehabilitation, training, and inclusive education models. In addition, they toured the National Institute of Rural Development and Panchayat Raj (NIRDPR), gaining insights into rural development initiatives, capacity-building programs, and policy implementation at the grassroots level. The study tour provided valuable field exposure and enhanced their professional learning.
