

Event Name: Quiz Competition on the topic “Emerging Threats & Trends”.

Date:19.09.2025

Organized by: Cyber Security Club

Academic Year: 2025-2026

Report:

The Cyber Security Club organized a Quiz Competition on the topic “Emerging Threats & Trends” .The event aimed to enhance students’ awareness about the latest developments and challenges in the field of cyber security. Participants enthusiastically took part, demonstrating their knowledge of cyber threats, security practices, and modern digital trends.

The quiz encouraged critical thinking, teamwork, and a deeper understanding of how to “Stay Protected in a Digital Age.” The event successfully fulfilled its objective of promoting cyber literacy among students and creating awareness about the importance of staying secure online.
