

Event Name: VISIT TO TIRUCHIRAPPALLI

From Date: 07.11.2025

To Date: 07.11.2025

Organized by: CAREER GUIDANCE & PLACEMENT CELL

Academic Year: 2025-2026

Report:

Team of 7 from Auxilium College (Autonomous) Katpadi, visited St. Joseph College, Trichy on 7, November, 2025 at 10:30Am.

We Visited the Placement Block, ERP Block & the Incubation Block.

PLACEMENT

The visit was organised to understand the Placement practices followed at St Joseph College and to gain insights into enhancing the placement activities at Auxilium College. During the visit, an interactive session was held with the Placement Director Mr. Mahendaran.

ERP

The visit to St Joseph College was aimed at understanding the functioning and implementation of the ERP system used for managing academic, attendance and overall activities. Fr. Santiago, the ERP Coordinator, and the team Mr. Palani and Mr. Rozarrio provided valuable insights into how ERP Systems can enhance efficiency, transparency, and data management. Implementing a similar system exclusively for Auxilium College would streamline operations and improve Communication between students, staff, and overall Management.

INCUBATION

Mr Manickam IQAR Coordinator emphasized the importance of integrating innovation and entrepreneurship into the academic framework. Students are actively engaged in developing prototypes, business models and social innovation projects. Regular workshops, hackathons and competitions are conducted to nurture their innovative skills. The Discussion concluded possibilities for collaborative programs, sharing best practices related to incubation and quality initiatives between both institutions.

We, the team from Auxilium College, would like to express our sincere gratitude to you sister for giving us the opportunity to visit St. Joseph College, Trichy. The visit was truly enriching and insightful.

We are deeply thankful sister for your constant encouragement and support, which enabled us to learn and gain new perspectives that will contribute to the growth and development of our institution.
