

PG & RESEARCH DEPARTMENT OF CHEMISTRY
AUXILIUM COLLEGE (AUTONOMOUS), VELLORE-6
ORIENTATION PROGRAM
19th June, 2024

The PG & Research Department of Chemistry at Auxilium College (Autonomous), Vellore, successfully conducted an orientation program for chemistry students on 19th June 2024. The event focused on the theme "Focused Learning with a Career Perspective" and featured two esteemed alumnae as speakers. Mrs. Priya Krishnamurthy, an alumna from the 2006 batch and a Development Officer at Postal Life Insurance, Department of Posts, India, addressed the II UG students from 9:00 am to 10:30 am, sharing insights on career-focused learning and practical applications of their studies. Following her session, Mrs. Suvitha Balasubramani, an alumna from the 2001 batch and a CBSE Coordinator at Sunbeam School, Vellore, engaged the III UG students from 11:00 am to 12:30 pm, discussing strategies for academic and career success. The program was well-received, providing students with valuable guidance and motivation to align their educational pursuits with their career goals.
