

Event Name: Poster Presentation

From Date: 18.12.2023

To Date: 18.12.2023

Organized by: Computer Science

Academic Year: 2023-2024

Report:

Poster Presentation competition was conducted on 18.12.2023. Many of our department students actively participated with their posters. This activity ignited the fire of imagination and creativity in the students. Around 20 students participated in this activity.

‘A Good Resume Grabs the Hiring Manager’s Attention’. Through this competition students were able to create an attractive that made them to get realistic chances of getting selected. Many of our students participated actively and learnt to build a perfect resume. *Around 25 students actively participated.*

The posters were judged by Dr. Tharani S., Asst professor of Computer Application.
