

Event Name: Physics Fest 2025

From Date: 13.08.2025

Organized by: PG & Research Department of Physics

Academic year: 2025

The Physics Fest 2025, organized by the PG & Research Department of Physics, Auxilium College (Autonomous), Vellore, on 13th August 2025, was a vibrant celebration of science, innovation, and intellectual exchange. The event witnessed the enthusiastic participation of around 60 students from various colleges across the region, creating a platform for young minds to showcase their talent and passion for Physics. A series of exciting events such as Quiz, Debate, Poster Presentation, Physics Memes, and Model Making challenged the participants to think critically and creatively. Each competition was designed to test scientific knowledge, analytical skills, and innovative thinking. The campus buzzed with energy as teams collaborated and competed in a spirit of healthy rivalry. The fest provided an opportunity for students to share new ideas, present creative models, and express scientific concepts in engaging and unconventional ways. Faculty members and judges commended the participants for their originality, clarity, and enthusiasm. The highlight of the day was the valedictory ceremony, where winners were recognized for their outstanding performances. Sacred Heart College emerged victorious, securing the Overall Trophy for their consistent excellence across events. The Physics Fest 2025 not only promoted teamwork and scientific curiosity but also reaffirmed Auxilium College's commitment to nurturing young researchers and inspiring a lifelong love for Physics.
