Academic Year : 2024 – 2025

Report:

Auxilium College observed Anti-Ragging Awareness Week from 13.08.2024 to 17.08.2025 through competitions, presentations, and campaigns, fostering a safe and respectful campus environment. As per UGC instructions, students were advised to refrain from any act of ragging. To sensitize students about the consequences of ragging, various events such as quizzes, mime, paper presentations, content creation, and slogan writing were conducted to raise awareness of anti-ragging and to help students appreciate the safe and friendly atmosphere on campus. The supportive and collaborative relationship among the student community was further strengthened through activities such as article writing and video making on the importance of anti-ragging and ensuring students' safety in the department and college. Students highlighted various positive aspects of the anti-ragging system through their article submissions and video making.
