

Organ Donation Awareness Talk

Date: 13.08.2025

Organized by: Department of BBA (Hospital Administration)

Academic Year: 2025 -2026

Report:

The Department of BBA (Hospital Administration) organized an Awareness Talk on Organ Donation on the occasion of World Organ Donation Day.

The resource person for the session was Mr. Jaisankar Perumal, Transplant Coordinator, Medical Superintendent Office, Christian Medical College, Vellore. He delivered an insightful talk on the importance of organ donation and emphasized the theme “Be an Organ Donor, Be a Lifesaver”, highlighting how this noble act contributes to saving lives and promoting health and well-being.

Following the session, the third-year BBA (HA) students actively engaged in youth advocacy, spreading awareness about organ donation among fellow students on campus as well as house workers, thereby extending the message beyond the seminar.
