

**Event Name : “Advanced IT Skills Training” on Data Analytics.**

**From Date : 08. 12. 2025**

**To Date : 11. 12. 2025**

**Organised by : Internal Quality Assurance Cell (IQAC) and Department of Computer Science and Applications.**

**Academic Year : 2025 – 2026**

**Report:**

ICT Academy conducted the **“Advanced IT Skills Training”** program on **Data Analytics** for **65 students** from the Department of Computer Science and Applications at Auxilium College, Vellore. The training was organized from **08.12.2025 to 11.12.2025** as part of the **CSR initiative of IBM India Pvt. Ltd.**

The program began with an **inauguration ceremony**, during which the Principal, **Dr. (Sr.) Jayaceli**, delivered a keynote address highlighting the **growth of technology** and emphasizing that **Data Analysis is the need of the hour**, explaining how it plays an increasingly important role in day-to-day life.

The training comprised a total of **42 hours**, including **16 hours of self-learning** through the SkillsBuild platform, **24 hours of Instructor-Led Training** featuring project-based learning using open-source tools, and **2 hours of final assessment**. Students who successfully completed the training received a **joint certificate from IBM and ICT Academy**.

The entire program was **fully sponsored by IBM**, supported by ICT Academy, and offered **free of cost**, enabling youth students to gain valuable, industry-relevant skills in Data Analytics.
