DATE: 19.06.2024

VENUE: ARTS BLOCK

TIME: 5:30 PM - 6:30 PM

PROGRAM: ORIENTATION PROGRAM

RESOURCE PERSON: Ms. Prathiba Bakthavachalam, Alumni, Auxilium College

Our department hosted an enriching orientation program titled "Focused Learning with a Career Perspective," led by esteemed alumni Ms. Prathiba Bakthavachalam, Talent Supply Chain Analyst at Accenture, Bangalore. She is a distinguished professional and graduate of Auxilium College, shared her journey and expertise, emphasizing the importance of aligning academic pursuits with career goals. She highlighted the significance of effective learning and time management and stated the skills that can complement one's career aspirations.

An interactive game session was held that tested the student's ability to focus on instructions. She briefed them on the SMART methodology to attain success in life. A comprehensive study plan was shared with the students that would go on to help them complete their degrees with flying colours.

The session concluded with an interactive Q&A, where students received tailored advice on their career queries. She went on to compliment the active participants of the day with small and meaningful gifts as tokens of motivation that boosted the morale of the students. Prathiba's insights and practical tips left a lasting impact, providing students with a clear roadmap to align their learning with their professional goals. The same session was offered to II BBA students also from 3.00 pm to 4.30 pm.
