

**Event Name: Petri Art: “Tiny Heroes of Microbiology”**

**From Date: 27.11.2025**

**To Date: 28.11.2025**

**Organized by: Department of Microbiology-Microbial Society Club in Association with Microbiologists Society, India**

**Academic Year: 2025-2026**

**Report:**

The **Microbial Society Club** of **Auxilium College**, in association with **MBSI**, organized an event titled **“Petri Art: Tiny Heroes of Microbiology.”** The program was conducted on **28 November 2025 at 11:30 a.m.** in the **UG Microbiology Laboratory**. This creative scientific event aimed to showcase the artistic side of microbiology by encouraging participants to design innovative patterns using microbial cultures in petri dishes. The initiative highlighted the beauty and significance of microbes while promoting scientific awareness and creativity among students. The event was judged by **Ms. T. Malathi**, Assistant Professor and Head in-charge, Department of Microbiology. Totally 30 students from B.Sc. and M.Sc. Microbiology actively participated. Overall, the event successfully promoted scientific curiosity, creativity, and appreciation for the microbial world among students.

#### **Prize Winners**

**1<sup>st</sup> - Harini. D (II M.Sc. Microbiology) &**

**Swetha. I (I M.Sc. Microbiology)**

**2<sup>nd</sup> - Savitha. A (II B.Sc. Microbiology)**

**3<sup>rd</sup> - Dhanushya. S.P (II M.Sc. Microbiology) &**

**Akshaya. S (I B.Sc. Microbiology)**
