

AUXILIUM COLLEGE (AUTONOMUS)
CAR (Centenary Auxilium readers Club) Club

History of the Group

CAR (Centenary Auxilium Readers) club was officially started on November 24th in the year of, 2021 to mark the centenary celebration of the arrival of Salesian missionary sisters in India. They relentlessly learnt the native language and promoted reading habit among the young people.

Continuing the history to promote reading among the young people CAR club members foster love for reading and they make choice in reading content and reading time. As a group the reading habits are monitored. The group members realize that the reading gives higher achievement and greater comprehension.

Objectives of the Group

- To promote a consistent reading habit and introduce contemporary books
- To develop critical thinking and analytical skills through reading.
- To meet once a week for over an hour to read and discuss contemporary book.
- To promote life - long learning opportunities for all.
- Reading leads to higher achievement and greater comprehension
- Student make a choice of reading content and reading time
- To inculcate the habit.
- Produce “digested” information
- Share ideas and Knowledge
- Recognize the factors in book selections.

Aim

To Read, to think, and to love (*Vaasi, Yosi, Nesi*)
