CAR (CENTENARY AUXILIUM READERS') CLUB

OBJECTIVE

History of the Group:

CAR (Centenary Auxilium Readers') Club was officially instituted on November 24, 2021, as a milestone to mark the Centenary Year of the arrival of Salesian Missionary Sisters to India. CAR is an attempt to remember the legacy of Salesian Pioneer Sisters and memorialize their relentless effort to learn the native languages of India and instill reading habits among young people. The activities of the club are focused on nurturing love for reading among students. CAR club members are trained to develop discrete reading habits by choosing reading contents that are healthy, progressive and enriching, and promote it among fellow students and community. The members are motivated into upholding the belief system that 'reading leads to greater comprehension and greater achievements.'
