Tree Plantation in Commemoration of World Environment Day

05.06.2024

Event: Tree Plantation

Date: 05.06.2024

Participants: 100

The tree plantation event held on June 5th, 2024, was a collaborative effort between the Enviro Club and the Tamil Nadu Pollution Control Board (TNPCB), Vellore. The event witnessed a diverse participation of individuals, including members of the Enviro Club, employees of TNPCB and students. The Resource Persons were Mr. R. Venkatesan M.E., District Environmental Engineer, Ms. V. Sushmita M.E. & Ms. S. Soundharya M.E, Assistant Engineers, TNPCB, Vellore. M. Murugan, Forest Range Officer from Bagayam Social Forestry Range, Vellore Forest Division graced the event and provided 30 saplings.

Mr. R. Venkatesan, District Environmental Engineer, TNPCB, Vellore highlighted the significance of World Environment Day and emphasized the importance of collective action in addressing environmental challenges. Students actively engaged in the tree plantation activity under the supervision of TNPCB officials and Enviro Club members. Saplings of orchard tree species (Mango, Gauva, Lime, Amla) were distributed to students, teachers, and workers ensuring biodiversity conservation and ecological restoration. Participants were invited to take a solemn oath, pledging their commitment to environmental protection and sustainability. The oath emphasized individual responsibility, conservation efforts, and the adoption of eco-friendly practices in daily life.

Dr. (Sr). Arokia Jayaceli A., Principal, Dr.(Sr.) Amala Valarmathy A., Vice Principal (Shift I) and Dr.(Sr.) Sumathi, Vice Principal (Shift II) graced the occasion.

The tree plantation event served as a platform for raising awareness about environmental protection and fostering community engagement in sustainable initiatives. By planting trees and promoting environmental education, the event contributed to enhancing green cover and ecological resilience in the college campus.

Field Trip to Jawadhi Hills

Event: Field Trip to Jawadhi Hills

Date: 08.07.2024

Participants: 28

The field trip was arranged on 08.07.2024 by the Enviro Club to Jawadhi Hills, Jamunamuthur, Don Bosco Tribal Development School. Father Amala Vinoth and his assistants Jesudas Arokiyasamy, Mani Chinnaiyan, and David Gopal, taught the basics of organic farming, insects playing an important role in organic farming, preparation of biopesticides, and plantation in grow bags. Students learned about varieties of traditional rice and its benefits of consumption. Students gained experience on organic farming both practically and theoretically.

From II B.Sc Zoology sixteen students and from II B.Sc Zoology twelve students went for the field trip. Dr.Isabella Rosaline.S and Dr.Anitha.T from Department of Botany accompanied the students.

HANDLOOM FASHION WALK COMPETITION-20.08.2024

Event: Handloom Fashion Walk Competition

Date: 20.08.2024

Participants: 50

In celebration of National Handloom Day, the Enviro Club (Shift I & II) organized an engaging Handloom Fashion Walk competition on August 20, 2024. The event was designed to promote and honor the rich cultural heritage of India's handloom industry while instilling a sense of pride among students in traditional attire.

The competition was judged by two esteemed faculty members, Dr. Preethi E., Assistant Professor and Head of the Department of Hospital Administration, and Dr. Geetha R., Assistant Professor and Head of the Department of English. Both judges brought their unique insights and expertise to the event, making it a memorable occasion for all participants. Dr. Preethi E. provided a brief informative introduction on the history and significance of handloom sarees. She discussed the traditional methods of weaving that have been passed down through generations and the cultural symbolism associated with handloom sarees. Dr. Preethi also demonstrated the ethnic and proper way of draping a saree, enriching the students' understanding of this timeless art form. Dr. Geetha R. emphasized the importance of supporting handloom artisans and the need to preserve the traditional art of handloom weaving in the face of modern mass production. She discussed how handloom sarees are not just garments but representations of India's diverse culture and heritage. After an exciting showcase of students in beautiful handloom sarees, Dr. Geetha announced the winners of the competition.

A total of fifty students enthusiastically participated in the Handloom Fashion Walk. Each participant showcased the elegance and charm of handloom sarees, demonstrating their appreciation for India's traditional craftsmanship. The event successfully highlighted the importance of handlooms in today's world while providing a platform for students to express their creativity and cultural pride. The competition was met with positive feedback and left a lasting impact on all who attended.

The winners of the competition are as follows.

I Prize – R. Swetha – III B. Sc English (B)

II Prize – Vasantha Priya.S – II B. Sc Zoology

III Prize – 1. Harini.N – III B. Sc Mathematics

2. Nimra.A – III BBA (HA)

The banner for the Handloom Fashion Walk Competition is set against a light green background. At the top left, there are logos for '13 CLIMATE ACTION' and 'Auxilium College (Autonomous), Vellore - 6'. The college name is prominently displayed in a large, bold, blue font, followed by '(Accredited by NAAC with A+ Grade in the 4th cycle)'. To the right is a '75' anniversary logo and a '15 LET'S GO GREEN' logo. Below the college name, it says 'Enviro Club - Shift I & II Conducts' in a smaller font. The main title 'Handloom Fashion Walk Competition' is written in a large, bold, pink font. In the center, there are two images: one of hands holding a globe and another of a handloom with the text 'NATIONAL HANDLOOM DAY' below it. The date 'Date : 20.08.2024' is on the left, and the time 'Time : 12:30 pm' is on the right. At the bottom, the roles and names of the organizers are listed: Patron (Dr.(Sr.) Mary Josephine Rani.A), Venue (Computer Block, Seminar Hall), Convener (Dr.(sr.) Arokiya Jayaceli. A), Co-Convenor (Dr.(Sr.) Amala Valarmathi.A and Dr.(Sr.) Sumathi.M), Vice Principals (Shift I & II), and Faculty Co-ordinators (Shift - I & II) including Dr.Isabella Roseline.S, Dr.Anitha.T, Dr.Hannah Elizabeth.S, Dr.Lavanya.B, and Dr.Carlin.C.

Seed Ball Making

23.08.2024

Event: Seed Ball Making

Date: 23.08.2024

Participants: 30

On 23.08.2024, 30 students from the II B.Sc Zoology participated in an enriching and hands-on seed ball preparation activity. The objective of this initiative was to promote environmental sustainability by engaging students in a practical conservation technique that encourages afforestation. In just one hour, the enthusiastic group successfully prepared 1,500 seed balls. These seed balls were made by combining soil, compost, and seeds into small, compact spheres. The seeds chosen were native species (Jamun Seed, May flower seeds), well-suited for the local environment, to ensure better germination and growth. The process was not only quick but also highly efficient, reflecting the students' teamwork and dedication. Each student contributed to the preparation process, gaining a deeper understanding of the importance of ecological conservation. The seed balls will be used in reforestation efforts, offering a simple yet impactful method to promote green cover in barren or degraded areas.

The event highlighted the critical role that young minds can play in contributing to environmental restoration. Students expressed enthusiasm about the project, learning not only about the seed ball technique but also its wider implications for biodiversity conservation. The practical application of environmental concepts provided them with a meaningful, real-world experience in ecological stewardship.

Seed Ball Cover Preparation

28.08.2024

On 28th July 2024, the Enviro Club of Auxilium College prepared protective covers for seed balls, a vital initiative aimed at promoting reforestation and biodiversity. The seed ball cover preparation emphasized creating durable yet biodegradable covers that would protect the seeds during transportation and dispersal, enabling better germination rates once planted in the soil.

Seed Ball Cover -28.08.2024

Tree Plantation Drive- 06.09.2024

Event: Tree Plantation Drive

Date: 06.09.2024

Participants: 30

On 6th September 2024, the Enviro Club organized a tree plantation drive, where 40 saplings were planted in front of the college library. This initiative was a part of the Enviro Club's ongoing commitment to enhancing campus greenery and fostering environmental awareness among students. A group of 30 enthusiastic students actively participated in the drive, guided by Dr.Sr. Mary Josephine Anto, Secretary, Dr. Isabella Rosaline, Enviro Club Coordinator, Dr.Anitha.T, Assistant Professor and Dr.Hanna, Assistant Professor. Students were briefed on the importance of trees in mitigating climate change, improving air quality, and promoting biodiversity within the campus. The saplings, carefully chosen for their suitability to the local environment, included species known for their resilience and ecological benefits.

The planting area in front of the library was strategically selected to provide shade and aesthetic value, creating a welcoming and green environment for future generations of students. Each student took responsibility for planting and watering a sapling, symbolizing their commitment to nurturing and preserving these young trees. The event concluded with reflections on the significance of collective action for environmental protection, with students pledging to regularly care for the saplings. This plantation drive represents a small yet impactful step toward a greener, more sustainable campus.

Mega SeedBall Fiesta- Eco Youth 24.- 10.09.2024

Event: Mega SeedBall Fiesta 2024 (5 lakh seed balls)

Date: 10.09.2024

Participants: 3000

On 10th September 2024, Auxilium College, Vellore, organized the highly anticipated Mega SeedBall Fiesta 2024 under the theme Auxilium Eco 6G: Go Green, Grow Green, Glow Green. The event aimed at creating environmental awareness and promoting sustainable practices, particularly through the large-scale creation of 5 lakh seed balls.

The Chief Guest, Tmt. V.R. Subbulaxmi, I.A.S., District Collector of Vellore, and Mr. Dinesh Saravanan, an environmentalist who served as the Seed Sponsor, played a key role in the success of the event. The presence of over 3,000 students from Auxilium College highlighted the collective commitment to environmental preservation.

The program began promptly at 9:30 am with the invocation of Tamil Thaaai Vaazhthu, setting a tone of cultural respect and unity. Dr. Isabella Rosaline S., the Enviro Club Coordinator, delivered the Welcome Address, greeting the dignitaries, students, faculty, and participants. She emphasized the significance of the Eco 6G concept, which focuses on fostering an eco-friendly campus and instilling a sense of environmental responsibility in students.

The event was then officially inaugurated with an Inaugural Address by Dr. Sr. Mary Josephine Rani A., Secretary of Auxilium College. She spoke about the vision behind the Eco 6G initiative and the importance of youth involvement in the fight against climate change. The next segment of the program featured Felicitation by Dr. Sr. Arokia Jayaceli A., Principal of Auxilium College, who praised the collaborative effort of the students, staff in organizing the SeedBall Fiesta. She highlighted the college's long-standing commitment to sustainability and environmental activism. The Keynote Address was delivered by Mr. Dinesh Saravanan, an environmentalist from Vellore. In his insightful speech, he explained the science behind seed ball technology and its potential for large-scale reforestation. He also stressed the importance of grassroots initiatives like this in combating deforestation and soil erosion.

The Presidential Address was delivered by the Chief Guest, Tmt. V.R. Subbulaxmi, I.A.S., District Collector of Vellore. She lauded the efforts of Auxilium College in taking proactive measures for environmental conservation. Her inspiring words encouraged the students to continue their involvement in green initiatives and to contribute actively towards creating a healthier planet.

The event concluded with a Vote of Thanks by Dr. Anitha T., Assistant Professor, Department of Botany. She expressed gratitude to all the dignitaries, sponsors, participants, and volunteers for their invaluable contributions, ensuring the success of the Mega SeedBall Fiesta 2024.

The seed balls were crafted using seeds from a variety of native trees, which play an essential role in promoting biodiversity and maintaining ecological balance. The seeds used in the event included, Vepam (Neem), Yetti Kai (Indian Kino Tree), Jathi Kai (Nutmeg), Neer Maruthu (Indian Elm), Arasamaram (Peepal Tree) and Atthi (Cluster Fig). These seeds were chosen for their ecological benefits, including air purification, soil conservation, and their ability to adapt to the local environment.

Through the Auxilium Eco 6G initiative, the college continues to inspire and engage the younger generation in meaningful ecological efforts. The Mega SeedBall Fiesta 2024 not only highlighted the importance of reforestation but also showcased how community involvement can significantly impact environmental conservation.

காட்பாடி அக்சீலியம் கல்லூரியில்

பசுமை வேலூர் உருவாக்க 5 லட்சம் விதை பந்துகள் தயாரிப்பு

▶ காட்பாடி அக்சீலியம் கல்லூரியில், பசுமை வேலூர் உருவாக்க மலைகளில் தூவ 5 லட்சம் விதைப்பந்துகள் தயாரிப்பினை கலெக்டர் சுப்புலட்சுமி நேற்று தொடங்கி வைத்தார். உடன் கல்லூரி செயலாளர் மேரி ஜோஸ்பின் ராணி, முதல்வர் ஆரோக்கிய ஜெயசிலி, சமூக ஆர்வலர் தினேஷ்சரவணன்.

கலெக்டர் தொடங்கி வைத்தார்

வேலூர், செப்.11: காட்பாடி அக்சீலியம் கல்லூரியில் பசுமை வேலூர் உருவாக்க 5 லட்சம் விதை பந்துகள் தயாரிப்பு நிகழ்ச்சியை கலெக்டர் நேற்று தொடங்கி வைத்தார்.

பசுமை வேலூர் உருவாக்கும் முயற்சியில், வேலூர் மண்டல மலைகளில் தூவ, 5 லட்சம் விதை பந்துகள் தயாரிக்கும் நிகழ்ச்சி காட்பாடி அக்சீலியம் கல்லூரியில் நேற்று

நடந்தது. கலெக்டர் சுப்புலட்சுமி நிகழ்ச்சிக்கு தலைமை தாங்கி பேசிய தாவது: அக்சீலியம் கல்லூரிக்கு எங்களது பாராட்டு தல்களை தெரிவிக்கிறேன். தமிழ்நாட்டில் அதிகமாக வெயில் உள்ள மாவட்டம் வேலூர் மாவட்டம் என்று சொல்லலாம். மரங்கள்

குறைவாக உள்ள மாவட்டமும் நம் மாவட்டம் தான். மாவட்டம் முழுக்க பனை மரங்களை அதிகப்படுத்த நடவடிக்கை எடுக்கப்பட்டுள்ளது. மகாத்மா காந்தி தேசிய ஊரக வேலை வாய்ப்புத் திட்டத்தின் கீழ் 10 லட்சம் மரக்கன்றுகள் 247 ஊராட்சிகளிலும் நடவு செய்யும் திட்டம் தொடர்ந்து வருகிறது.

இன்று(நேற்று) பசுமை வேலூர் உருவாக்கும் முயற்சியில் 5 லட்சம் விதைப்பந்துகள் செய்து, வேலூரை சுற்றியுள்ள 5 மலைகளில் தூவ இருக்கிறோம். அடுத்த ஆண்டுக்குள் அந்த மலைகள் எல்லாம் பசுமை நிறைந்த மலைகளாக ஆக்குவதில் உங்கள் ஒவ்வொரு வருடைய பங்கும் இருக்கிறது என்பதை சொல்ல கடமைப்பட்டுள்ளேன், என்றார்.

இதில் விதை, இயற்கை உரம் உள்ளிட்ட ஏற்பாடுகளை சமூக ஆர்வலர் தினேஷ்சரவணன் செய்திருந்தார். நிகழ்ச்சியில் கல்லூரி செயலாளர் மேரி ஜோஸ்பின் ராணி, கல்லூரி முதல்வர் ஆரோக்கிய ஜெயசிலி மற்றும் கல்லூரி மாணவிகள் பலர் கலந்து கொண்டனர்.

டிவி மெக்கானிக்கை தாக்கி

பணம் பறிக்க முயன்ற 2 பேர் கைது

ராணிப்பேட்டை, செப்.11: ராணிப்பேட்டை அரப்பாக்கம் பாபநகர் பகுதியைச் சேர்ந்தவர் மகேஷ்(49) டிவி சரி செய்யும் வேலை செய்து வருகிறார்.

இவர் நேற்று மண்

தினம் வழக்கம் போல பணிக்கு சென்று விட்டு லாலாபேட்டை-தக்காம பாளையம் சாலையில் இருந்து வீடு திரும்பிய போது, அந்த வழியாக மது போதையில் வந்த ஏகாம் பாகல்லாச் சேர்ந்த ராஜ்

கிரண்(28), மருதம்பாக்கம் சேர்ந்த பில்டன்(29) ஆகிய இருவரும் மது அருந்துவதற்கு பணம் கேட்டு மிரட்டியதோடு கத்தியால் தாக்க முயற்சித்துள்ளனர். மகேஷ் அதிர்ஷ்டவசமாக அவர்களிடம் இருந்து

தப்பித்து வந்து சிப்காட் போலீஸ் நிலையத்தில் இச்சம்பவம் குறித்து புகார் அளித்துள்ளார்.

புகாரின் பேரில் மேற்கண்ட இருவர் மீது வழக்கு பதிவு செய்து கைது செய்து

தீனத்தந்தி

பசுமை வேலுரை உருவாக்க 5 லட்சம் விதைப்பந்துகள் தயாரிக்கும் நிகழ்ச்சி

கலெக்டர் தொடங்கி வைத்தார்

வேலூர், செப்.11-

பசுமை வேலுரை உருவாக்கும் முயற்சியாக 5 லட்சம் விதைப்பந்துகள் தயாரிக்கும் நிகழ்ச்சி காட்பாடி அக்சீலியம் கல்லூரியில் நேற்று நடந்தது. கல்லூரி செயலாளர் மேரி ஜோஸ்பின் ராணி, முதல்வர் ஆரோக்கிய ஜெயசீலி, சமூக ஆர்வலர் தினேஷ் சரவணன் ஆகியோர் முன்னிலை வகித்தனர்.

வேலூர் மாவட்ட கலெக்டர் சுப்புலெட்சுமி தலைமை தாங்கி விதைப்பந்துகள் தயாரிக்கும் நிகழ்ச்சியை தொடங்கி வைத்து பேசுகையில், 'தமிழ்நாட்டில் அதிக வெயில் உள்ள மாவட்டம் என்றால் வேலூர் மாவட்டத்தை சொல்லலாம். அதேபோன்று மரங்கள் குறைவாக உள்ள மாவட்டமும் வேலூர் தான்.

ஒவ்வொரு கிராமத்திலும் பனை மரங்களை அதிகப்படுத்த உள்ளோம். அதற்கு அடுத்தப்படியாக பசுமை வேலுரை உருவாக்க முயற்சி செய்து கொண்டிருக்கிறோம். வேலூர் மாவட்டத்தில் மகாத்மா காந்தி தேசிய ஊரக வேலை வாய்ப்பு உறுதிதிட்டத்தின் கீழ் 10 லட்சம் மரக்கன்றுகள் 247 ஊராட்சிகளிலும் நடவு செய்யப்பட்டு வருகிறது.

பசுமை வேலூர் உருவாக்கும் முயற்சியில் 5 லட்சம் விதைப்பந்துகள் தயார் செய்து, அவற்றை வேலுரை சுற்றி மிகக்குறைவாக மரங்கள் உள்ள மலைகளில் விரைவில் தாவ உள்ளோம். அடுத்த ஆண்டுக்குள் அந்த மலைகள் பசுமை நிறைந்த மலைகளாக ஆக்குவதில் இங்கு படிக்கும் மாணவிகளின் பங்கும் இருக்கிறது. விதைப்பந்துகள் தயாரிக்கும் பணியில் ஈடுபட்ட இக்கல்லூரிக்கும், விதைகளை சேகரித்து நிகழ்ச்சிக்கு ஏற்பாடு செய்த தினேஷ் சரவணனுக்கும் மாவட்ட நிர்வாகத்தின் சார்பில் பாராட்டுகளை தெரிவித்து கொள்கிறேன்' என்றார்.

நிகழ்ச்சியில் கல்லூரி துறைத்தலைவர்கள், பேராசிரியர்கள், மாணவிகள் மற்றும் பலர் கலந்து கொண்டனர்.

Seed Ball Throwing - 25.09.2024

Event: Seed Ball Throwing

Date: 25.09.2024

Participants: 50

On **25th September 2024**, following the directive of the respected District Collector, **50 students** from the **Enviro Club** of Auxilium College participated in a large-scale seed ball dispersal at **Chinnavaduganthangal Hill** in the Vaduganthangal Panchayat. This eco-friendly initiative aimed at promoting reforestation and enriching biodiversity in the region.

The students, guided by Enviro Club coordinator Dr. Isabella Rosaline, Dr.Anitha.T, and dr.Caroline, assembled early at the hill site, each equipped with seed balls containing seeds of native plant species selected for their suitability to the area's climate and soil. The dispersal of these seed balls is expected to restore the green cover, encourage soil preservation, and provide a natural habitat for local wildlife.

Ms. Jayanthi Jayapal.J ,Vice chairman, Vaduganthangal Gudiyatham, Ms. Bharathi Venkateshwarn,Vice Chairman, K.V kuppam block,Vellore , Mr. Perumal.M, Block department officer I,Vaduganthagal, Vellore, Mr.Sathish Kumar, Block Department Officer, Vaduganthagal, Vellore, Mr. Karthikayan I, Zonal officer Vaduganthagal I, Vellore, Mr.Sitharaman.K, Ex District Committee Member, Palani Block Officer I,Vaduganthagal,Vellore and 15 Workers guided to throw the seed balls.

One lakh seed balls were thrown in different hills , Thorapaddi Hills, Thirthagiri Hills, and Gudiyatham Ulli hills.

Students were briefed on the environmental impact of reforestation, including benefits such as increased groundwater retention, reduced soil erosion, and carbon absorption. The seed ball technique, which involves encasing seeds in clay and compost, was emphasized as an effective and low-cost method to improve germination rates in challenging terrains like Chinnavaduganthangal Hill. This community-driven initiative, supported by the District Administration and Auxilium College, reflects the ongoing commitment of young environmentalists to sustainable development and environmental restoration. The Enviro Club students concluded the event with a renewed pledge to protect and nurture their local environment.

International Conference on “Youth for Earth: Restore and Protect Our Environment”

10.10.2024

Event: International Conference on “Youth for Earth: Restore and Protect Our Environment”

Date: 10.10.2024

Participants: 500

The Enviro Club of Auxilium College, in collaboration with the Tamil Nadu Pollution Control Board, Vellore, successfully organized an international conference titled “Youth for Earth: Restore and Protect Our Environment” on the 10th of October 2024. The event took place at the Auxilium College Auditorium, drawing a large gathering of 500 students, faculty, and environmental enthusiasts. Students and faculty from Holy Cross College and Vhoores College also attended the conference.

The conference was graced by the esteemed Chief Guest, **Dr. Srimathi Kannan**, Faculty Member at the University of Michigan, USA, and Nutrition Lead at the Icahn School of Medicine, New York. Dr. Kannan's presence underscored the global significance of the event, reflecting her dedication to environmental health and sustainability.

Resource Persons

1. **Dr. Manoharan Krishna**, an International Organic Agriculture Scientist, and Founder and Chairman of Naturaa Agrorganica, Vellore, Tamil Nadu, delivered an insightful session on organic agriculture's role in restoring ecosystems.
2. **Dr. Jagadeesh Reddy**, a proponent of Zero Budget Natural Farming from Chittoor, Andhra Pradesh, highlighted sustainable farming practices and the power of natural methods in protecting the environment.

The heart of the conference was the **Youth Panel Discussion** on the topic, "Empowering Youth for Environmental Leadership." The panel consisted of inspiring personalities:

- **Mr. Sindhanai Selvan S**, Assistant Engineer at Tamil Nadu Pollution Control Board, Vellore, discussed the pivotal role young leaders can play in curbing pollution.

- **Dr. Anbu Malar M**, Head and Assistant Professor at Stella Maris College, Chennai, shed light on food security and its linkage with environmental sustainability.
- **Dr. Preethi Prabhakaran**, Head and Assistant Professor, Department of BBA (Hospital Administration) at Auxilium College, emphasized youth leadership in fostering a sustainable environment.

As part of the international conference "Youth for Earth: Restore and Protect Our Environment," students actively engaged in various competitions, showcasing their environmental awareness and creativity. The Paper Presentation saw participants presenting innovative research on sustainability, conservation, and climate action. The Poster Presentation allowed students to visually communicate their ideas on restoring the environment, while the Soil Painting Competition highlighted their artistic talents, using natural materials to express environmental themes. The conference succeeded in raising awareness, fostering dialogue, and inspiring action among the younger generation to protect and restore the environment. It provided a platform for global experts and young leaders to exchange ideas, promoting a greener future for all.

Inauguration

The event commenced with an invocation through a soulful Prayer, setting a reverent tone for the day's proceedings. This was followed by the Lighting of the Digital Lamp, symbolizing the illumination of minds towards the cause of environmental protection. Dr. Isabella Rosaline S., Head of the Department of Botany and coordinator of the Enviro Club, delivered the Welcome Address, warmly greeting the gathering and emphasizing the urgency of youth involvement in environmental conservation. Dr. Abi Beulah G. Assistant Professor of Biochemistry, Academic Coordinator Shift II, presented the Dynamics of the Conference, outlining the significance of the event in addressing contemporary environmental issues and the role of the younger generation in driving change. Retiring staff Dr. Venum Cecilia, Associate Professor and Head, Department of English, Dr. Isabella Rosaline, Associate Professor and Head, Department of Botany and Dr. Auxilia Antony, Assistant Professor and Head, Department of Commerce were felicitated and honoured with a memento. In the Presidential Address, Dr. Sr. Mary Josephine Rani, the Secretary of Auxilium College, expressed the institution's dedication to environmental causes. She highlighted Auxilium College's ongoing efforts to nurture responsible leaders who prioritize sustainability and green practices. Dr. Sr. Arokia Jayaseli A., the Principal of Auxilium College, in her Keynote

Address, underscored the theme of the conference, urging participants to be proactive in tackling environmental challenges and advocating for sustainable development. The highlight of the event was the Inaugural Address delivered by Dr. Srimathi Kannan, a distinguished Faculty Member from the University of Michigan, USA, and Nutrition Lead at the Icahn School of Medicine, New York. Dr. Kannan spoke on the interconnectedness of environmental health and human well-being, emphasizing the need for integrated approaches to restore ecosystems. She shared insights from her global experiences, stressing the importance of youth engagement in ecological initiatives. The session concluded with a Vote of Thanks proposed by Dr. Anitha T., Assistant Professor of Botany, expressing gratitude to all dignitaries, participants, and organizers for their efforts in making the event a success.

As part of the International Conference on “Youth for Earth: Restore and Protect Our Environment,” a Youth Panel Discussion was conducted on the topic “Empowering Youth for Environmental Leadership”. The session was chaired by Dr. Srimathi Kannan, a renowned faculty member at the University of Michigan, USA, and Nutrition Lead at the Icahn School of Medicine, New York. The panel featured distinguished speakers: Mr. Sindhanai Selvan S, Assistant Engineer, Tamil Nadu Pollution Control Board, Vellore, Dr. Anbu Malar M, Head and Assistant Professor, Department of Food Processing and Technology and Quality Control, Stella Maris College, Chennai and Dr. Preethi Prabhakaran, Head and Assistant Professor, Department of BBA (Hospital Administration), Auxilium College.

The session focused on the critical role of youth in leading environmental initiatives and fostering sustainable development. Dr. Srimathi Kannan, as the chairperson, emphasized the need for youth leadership in tackling the environmental issues of the modern world. Drawing on her extensive experience in public health and environmental policy, she highlighted the intersections between environmental health, nutrition, and youth activism, encouraging young minds to engage proactively in environmental stewardship. Mr. Sindhanai Selvan S elaborated on the role of governmental policies and the involvement of youth in pollution control initiatives. He encouraged the participants to take an active role in understanding and influencing environmental regulations and offered insights into the opportunities available for youth to engage with the Tamil Nadu Pollution Control Board’s initiatives. Dr. Anbu Malar M shared her expertise on sustainable food systems and the importance of environmental consciousness in food production. She spoke about the critical role that youth can play in promoting sustainable agricultural practices and addressing the

environmental impact of food processing industries. Her insights on the role of innovation in the food sector inspired the young participants to think creatively about how they can contribute to the environment through their career choices. Dr. Preethi Prabhakaran focused on the role of youth in promoting environmental awareness within institutions and communities. Drawing from her experience in healthcare administration, she stressed the importance of environmental sustainability in the healthcare sector and how young leaders could implement eco-friendly practices in their future careers. Fifteen students actively participated in the interactive session with the panelists. Their questions covered a broad range of topics, including the role of technology in environmental conservation, career opportunities in environmental fields, and practical steps they could take in their daily lives to contribute to environmental sustainability. The panelists responded with practical advice, empowering the students to see themselves as agents of change. Some of the questions raised by the students included, How can we integrate environmental awareness into our daily lives and academic activities? What are the career prospects for youth who are passionate about environmental leadership? How can we influence policy changes related to environmental protection?

The panelists emphasized that environmental leadership begins with small, consistent actions and that every effort, no matter how small, can contribute to larger systemic changes. They encouraged the students to leverage their education, social networks, and available technology to create awareness and initiate projects in their communities. The Youth Panel Discussion was a dynamic and thought-provoking session, with students and resource persons engaging in a meaningful dialogue on environmental leadership. The panelists inspired the young audience to take ownership of environmental issues and work towards sustainable solutions. The session left participants with a sense of responsibility and motivation to become active environmental leaders in their own right.

As part of the International Conference on “Youth for Earth: Restore and Protect Our Environment,” two insightful resource talks were delivered on the future of sustainable agriculture and agripreneurship. Dr. Manoharan Krishna opened the session with a talk on “Eco-Entrepreneurship for a Greener Future”. He emphasized the critical role of eco-entrepreneurs in building sustainable agricultural practices and conserving the environment. Dr. Krishna highlighted how organic farming techniques can not only restore ecological balance but also create business opportunities for aspiring entrepreneurs. He shared his journey as the Founder and Chairman of Naturaa Agrorganica, focusing on the benefits of adopting

organic methods to produce healthier, chemical-free crops. He urged young participants to embrace eco-entrepreneurship, underscoring the importance of passion, innovation, and ethical practices in building a greener future. Dr. Jagadeesh Reddy followed with his talk on “Innovative Agripreneurship” and the concept of Zero Budget Natural Farming. He explained how nature farming offers a cost-effective, sustainable farming model that relies on natural inputs rather than expensive chemical fertilizers. Dr. Reddy’s approach emphasized minimal investment and maximum yield, making farming accessible to small-scale farmers and new entrants. He encouraged youth to explore agripreneurship by adopting innovative techniques that are both profitable and environmentally friendly. His success stories from the agricultural sector inspired many to consider farming as a viable entrepreneurial path. The talks motivated students to explore eco-friendly agricultural ventures, blending environmental responsibility with economic growth.

In the paper presentation session 16 students actively participated, each bringing unique perspectives on how youth can lead the way in adopting and promoting green technologies. The topic for poster presentation was **“Green Technology Initiatives Led by Youth”**. The topics presented ranged from renewable energy innovations, sustainable agricultural practices, waste management technologies, to the use of digital platforms for environmental awareness campaigns. The session was judged by Dr. Jagadeesh Reddy, Agriculturist and expert in Zero Budget Natural Farming, and Dr. Lakshmi Priya, Assistant Professor of Biochemistry. The judges praised the students for their insightful research and encouraged them to continue exploring green technologies to address pressing environmental challenges. They emphasized the importance of youth-driven innovation in creating a sustainable future.

The poster presentation session had 23 student participants showcasing creative and impactful posters on the Topic “Restore and Protect Our Environment”. The posters depicted various themes, including climate change, ecosystem restoration, biodiversity conservation, and pollution control. Each poster reflected the students’ artistic and scientific skills, combining visuals with informative content. The posters were evaluated by a panel of judges consisting of Dr. Bindhu, Physical Directress, Dr. Kavitha, Assistant Professor of Computer Science, and Ms. Anitha S, Assistant Professor of Commerce. The judges commended the students for their creativity and the depth of their environmental knowledge, highlighting how visual communication can be a powerful tool in spreading environmental awareness.

The following participants won the prize.

Paper Presentation: 1st Prize –Lakshmi Priyadharshini –II M.B.A

2nd Prize-Narmatha.G-II M.Sc Maths

3rd Prize-Dr.Yasodha Jagadeshwari, Assistant Professor, Holy

Cross College, Trichy

Poster Presentation: 1st Prize – Krishna Priya – II B.Com C

2nd Prize- Wahida Anjum N-II B.B.A

3rd Prize- Nandhini.S-III B.Sc Zoology

The Valedictory Address was delivered by Dr. Srimathi Kannan, Faculty Member at the University of Michigan, USA, and Nutrition Lead at the Icahn School of Medicine, New York. Dr. Kannan spoke on the topic “Environmental Nutrition and Education: Nurture and Protect”, emphasizing the interconnectedness between environmental health and human nutrition. She discussed how sustainable food systems and nutrition education can be powerful tools in addressing environmental challenges. Dr. Kannan encouraged the students to advocate for both environmental conservation and healthy nutrition practices in their communities, stressing that nurturing the environment is essential for the health and well-being of future generations.

The Valedictory Session also included the much-anticipated Prize Distribution ceremony. Certificates were given to the winners of the Paper Presentation on "Green Technology Initiatives Led by Youth" and the Poster Presentation on "Restore and Protect Our Environment". The session concluded with a heartfelt Vote of Thanks by Nikitha Christy, student of III B.Sc Zoology. She expressed her gratitude to the dignitaries, participants, organizers, and attendees for making the conference a success. Nikitha particularly thanked the speakers for sharing their valuable insights and the judges for their time and guidance.

The Valedictory Session marked the end of a fruitful day of learning and collaboration, leaving the participants inspired to take actionable steps toward protecting the environment.

**INTERNATIONAL CONFERENCE ON
"YOUTH FOR EARTH: RESTORE AND
PROTECT OUR ENVIRONMENT"**

10th October, 2024

Time - 09:30 AM

Venue: Auxilium College Auditorium

ABOUT THE COLLEGE

Auxilium College founded in 1954 is the first Women's College in the Vellore district and is affiliated to the Thiruvalluvar University. Auxilium has been granted the status of autonomy by the UGC and the Thiruvalluvar University in 2007. The College has been accredited by National Assessment and Accreditation Council (NAAC) with A+ grade in the 4th cycle. It is a minority institution established and administered by Salesian Sisters of Don Bosco, belonging to the Catholic Church. The College has consistently committed itself to nation building and the empowerment of young women for seven decades and proudly celebrates the platinum jubilee this academic year 2024 - 2025.

ABOUT ENVIRO CLUB

The Enviro Club of Auxilium College, is an active student-led club dedicated to promoting environmental awareness and sustainability on campus and in the local community and works with the motto to

"Join Hands to Conserve Nature". The club is involved in various activities such as Environmental Awareness Campaigns, Campus Cleanliness Drives, Tree Plantation and Green Initiatives, Preparing Seed balls and conducts seminars, workshops and awareness programs to educate students about environmental issues like climate change, pollution, waste management and conservation of natural resources. The Enviro Club plays a crucial role in educating a culture of sustainability and ecological responsibility among students, making them more conscious of the environmental impact of their actions.

In September 2024, the Enviro Club launched a massive green initiative by crafting 5 lakh seed balls, planting the seeds for a sustainable future!

ABOUT THE CONFERENCE

The conference aims to bring together young environmentalists, academicians, researchers and policymakers to discuss and explore innovative solutions for addressing global environmental challenges. The event will focus on the critical role that youth play in driving ecological restoration and sustainable practices. By sharing global perspectives, the conference seeks to empower the next generation to take proactive steps in restoring ecosystems, combating pollution and advocating for a healthier planet. Through keynote speeches and Youth panel discussions, the conference promises to be a dynamic platform for exchanging ideas and inspiring collective action to protect the environment for future generations.

GUIDELINES

- **Paper Presentation** (PG, Research Scholars and Faculties) **Topic: Green Technology Initiatives Led by Youth** Abstracts (200 words) of paper presentation should reach the mail id: auxiliumenviroclub@gmail.com
- **Poster Presentation** (UG & PG students) **Topic: Restore and Protect Our Environment**, Posters should be prepared in normal chart and one participant is allowed for a poster.
- **Soil Painting** (UG & PG students) **Topic: Conserve Biodiversity**, Soil painting should be done on-spot by only using different shades of soil.

REGISTRATION

Registration on or before 09.10.2024
UG and PG students: Rs. 150/-
Faculty: Rs. 200/-
Spot registration is permitted through online mode
(Faculty accompanying 10 or more students will be exempted from registration fee. The registration fee includes seminar kit and lunch)

Inauguration of Manja Pai Vending Machine - 28.10.2024

Event: Inauguration of Manja Pai Vending Machine

Date: 28.10.2024

Participants: 15

The Manja Pai Vending Machine was installed and inaugurated on October 28, 2024, in a collaborative effort between the Enviro Club and the Tamil Nadu Pollution Control Board. The event was graced by esteemed guests, Dr. Jayanthi M., I.F.S, Chairman of TNPCB, Er. R. Venkatesan, M.E., District Environmental Engineer, TNPCB, and Mr. Saravana Kumar, Joint Chief Environmental Engineer, TNPCB, Vellore zone.

This initiative is part of the "Meendum Manjappai" campaign, which aims to reduce the use of single-use plastics and promote the use of cloth bags instead. The vending machine dispenses cloth bags, making it a convenient and eco-friendly alternative for the students. The inauguration of the Manja Pai Vending Machine marks a significant step towards a more sustainable future, and the collaboration between the Enviro Club and TNPCB demonstrates the power of collective action in driving positive change. 15 students actively participated.

SOIL RANGOLI COMPETITION-27.11.2024

Event: Soil Rangoli Competition

Date: 27.11.2024

Participants: 7

On November 27, 2024, the Enviro Club organized a Soil Rangoli Competition themed "Save Nature." This initiative aimed to foster student engagement in environmental education and improvement efforts. Dr. Abi Beulah, Coordinator of Shift II, served as the judge for the event. A total of seven students participated, and three exemplary entries were recognized for their creativity and commitment to the theme.

- 1st Prize: M. Rivera, III UG Biochemistry
- 2nd Prize: S. Aishwarya, III UG Biochemistry
- 3rd Prize: S. Keerthana, III UG Biochemistry

The event successfully raised awareness and cultivated appreciation for environmental preservation within the student community.

Rally on “Healthy Soil, Healthy Future”-30.11.2025

Event: Rally on “Healthy Soil, Healthy Future”

Date: 30.11.2025

Participants: 60

On 30th January 2025, the Enviro Club organized a Soil Conservation Rally within the college premises on the theme “Healthy Soil, Healthy Future”. The event aimed to raise awareness among students about the importance of soil conservation and its impact on the environment. The rally began at 10:20 a.m. and concluded at 10:45 a.m. A total of 60 students participated in the event, enthusiastically carrying placards and banners with slogans emphasizing the need for soil conservation.

The rally highlighted the significance of soil conservation in maintaining ecosystem balance, preventing soil erosion, and promoting sustainable agriculture practices. The participants marched through the college premises, spreading awareness and inspiring their peers to take action in protecting the soil.

Laughter Therapy-12.02.2025

Event: Laughter Therapy

Date: 12.02.2025

Participants: 50

On February 12th, 2025, the Enviro Club - Shift I & II organized a unique event, 'Laughter therapy for a healthy life', aimed at promoting mental well-being and stress relief among students. The session was held near the LED board in the college premises, providing a relaxed and casual atmosphere for participants.

The event began with uplifting you tube music, carefully curated to set a lively and cheerful tone. The music played a significant role in breaking the ice and getting students to laugh and unwind. As the session progressed, students were encouraged to participate in various laughter exercises and games, designed to stimulate laughter and promote relaxation.

The laughter therapy session was a huge success, with students from both shifts enthusiastically participated and enjoyed the event. The Enviro Club's initiative provided a much-needed break from the academic routine, allowing students to recharge and refocus.

Eco Awareness Day: Empowering a Greener Tomorrow -11.03.2025

Event: Eco Awareness Day: Empowering a Greener Tomorrow

Date: 11.03.2025

Participants: 950 students

Enviro Club in collaboration with the Nature Science Foundation (NSF), Coimbatore organized the Eco Awareness Day with the theme "Empowering a Greener Tomorrow" on 11th March 2025. The event aimed to promote environmental consciousness and sustainable practices among students, faculty, and the community. All the II UG students attended the programme.

The event featured esteemed resource persons from the Nature Science Foundation, Dr. D. Vinoth Kumar, Director, Ms. M. Nithya, Deputy Director, Ms. E. Sivaranjani, Deputy Director, Mr. R. Gokul, Assistant Director and Mr. Arthanari, Lead Auditor, NSF. These experts provided valuable insights on topics such as sustainable development, biodiversity conservation, and the importance of eco-friendly initiatives. The guest speakers elaborated on various environmental issues, including the significance of afforestation and biodiversity conservation, the impact of climate change and measures to mitigate its effects, strategies for waste management and pollution control and the role of youth in advocating sustainable lifestyles. 194 students and 2 staff received the membership certificates for the academic year 2024-2025.

Nature Science Foundation honoured Dr.(Sr).Mary Josephine Rani A., Secretary with Best Leadership Award, Dr. (Sr). Arokia Jayaceli A., Principal with Best Principal Award and Dr.Isabella Rosaline S, Associate Professor and Head, Department of Botany and Enviro Club Coordinator with Lifetime Achievement Award for Environmental Excellence.

The following students received the Eco Warrior Award for the academic year 2024-2025 for the active participation in the Enviro club activities.
