Teachers' Day

Teacher's Beauty
Your class we wish it stay
Teacher taught us what to do
And what to not
Teacher made each one think
And wanting any discipline
Not through our childish screams
Teacher helped us to achieve our
dreams.
To teacher comes our faith,
to guide our thoughts,
adjusting their days and nights
to make our decisions right
By their scientific knowledge they
are students' needs
as to be so kind
very students were inspired by them
being like a path
teacher wonders whether she exists
it enough
sing, think and or laugh,
it all makes us wishfully look
I not just about the teacher's duty
all about the teacher's BEAUTY

Teacher
"What is a teacher?" we may just ask,
to answer each question is a great task
Teacher is the one who is more than
a guide. Who lights our life to achieve
greater pride.
Their teaching let's our thinking start.
Who creates ourselves to be a glorious
art. They make us shine like the burning
sun. I wish a passionate heart they show
extended concern.
They not very hard and undergo stress,
Who must like your and control our lives.
Through anonymous wisdom they relieve

available to God's.
Their duties are like, carrying huge
stone. While all their divine devotions
are shown. Their words will cheer us
when we are alone. We will remember
them in our hearts until we are gone!
