BCA SHIFT- I
2022 to 2023

S.No.	Date	Activities	Beneficiaries
1	26.08.2022	Motivating Speech	150
2	23.09.2022	Guest Lecture	150
3	12.10.2022	Media Mirchi Competition	150
4	27.10.2022	Debugging Competition	36
5	31.01.2023	Model Making Competition	20
6	27.02.2023	Paper Presentation	25

Activity 1: Motivating Speech

Date: 26.08.2022

Participants: 150

Guest Lecture Topic On Trending and Emerging Technologies by Dr.Kumaresan Angappan, Assistant Professor from School of Computer Science and Engineering, VIT University, Vellore.

Activity 2: Guest Lecture

Date: 23.09.2022

Participants: 150

Guest Lecture on "Big Data". Ms. Anita Madona. M, Head In charge and Assistant Professor of Computer Applications, Auxilium College (Autonomous), Vellore.

Activity 3: Media Mirchi Competition

Date: 12.10.2022

Participants: 150

Data Science, Artificial Intelligence, Block Chain Technology and Big Data Analytics using Photoshop tool.

Activity 4: Debugging Competition

Date: 27.10.2022

Participants: 36

Debugging Competition to develop the programming skills on C, C++ and JAVA programming by identifying the bugs and rectifying the errors.

Activity 5: Model Making Competition

Date: 31.01.2023

Participants: 20

Model Making Competition to Excel The Innovative Ideas In Field Of Computer Networks And E-Waste

Activity 5: Paper Presentation

Date: 27.02.2023

Participants: 25

The Topics are Wireless Networking, Block Chain Technology, 3D Printing Technology, Aircraft GPs Tracking, How to Tackle Phishing Attack.
