PRINCIPAL'S MESSAGE - GRATITUDE

As we approach the end of 2024, one of the most important qualities we must cultivate is gratitude. Gratitude brings meaning, resourcefulness, and a deep sense of fulfillment. Today, we have much to be thankful for—our relationships, the environment, the education we receive, and the experiences that shape us. At Auxilium College, we have made it a priority to foster a sense of gratitude among both students and faculty.

Gratitude is more than just saying “thank you.” It is about feeling a deep sense of appreciation and thankfulness, especially to God, who, at Christmas, became human like us—sharing in our fears, joys, challenges, and triumphs. Dear Auxilians, let us nurture a spirit of gratitude in every moment of our lives. Gratitude fills us with a unique joy and reminds us that we are never truly alone—so many people and blessings come into our lives each day. I encourage all students to keep a gratitude journal, where you reflect daily on three qualities or three positive things you have received. Let this practice help you cherish every moment.

As we look ahead to 2025, I wish you all the best. Let us embrace a life of gratitude, appreciating everything, every moment, and everyone around us.

MERRY CHRISTMAS & PROSPEROUS NEW YEAR!
