Action taken report on the Over all Feed back for the Academic year 2021-2022

The action taken based on the meeting held on
.....12/10/2022..... is as follows.

Problem:

Almost all the students of the department of English have given positive feedback on the college.

Majority of the students find the curriculum is career-oriented and relevant to jobs.

They have expressed their satisfaction with the syllabus.

Some students are neutral about the facilities of the college.

Action Taken:

Since the first years are new to the college, they are unaware of the entire curriculum and syllabus revision. Hence there is a need to brief them on the same.

The department will take care of this problem by explaining the facilities that are available in the library to the first-year students.

They will be introduced to the resources of the library and the vast collection of books they can use for their programme.

The tutors will brief the students on the various facilities available in the college and motivate them to use the same.

**ACTION-TAKEN REPORT ON THE OVERALL FEEDBACK FOR THE
ACADEMIC YEAR 2021-2022**

The action-taken report based on the meeting held on 04.01.2023 is as follows:

Report on Positive Response:

The majority of the students of the Department of Mathematics (Shift II) feel proud to be a student of Auxilium College. They feel that the learning environment at Auxilium College will be useful in their future careers.

Problem 1:

Very few students felt that the teaching staff are not approachable.

Action Taken:

The students were informed that the staff will list their availability time and accordingly they can approach the staff and tutors. Also informed them that their mentors are available for them during the Mentor-Mentee meeting time. Their mentor will help them to find solutions to problems both academic as well as personal.

Problem 2:

Very few students felt that the curricular, co-curricular, extracurricular, and extension activities were given less importance.

Action Taken:

Students were made aware of curricular, co-curricular, extracurricular, and extension activities. They were informed about the invited talks, workshops, seminars, and webinars organized by the department as part of curricular and co-curricular activities. Students were motivated to participate in various activities conducted through Mathematics Association. They were also encouraged to participate in competitions, and academic programmes organized on campus and

off campus. Students were made conscious of sports activities through which they can develop physical and mental abilities. They were also made aware of the outreach programme and the community service organized by the department and institution as a part of the extension activity.

**ACTION-TAKEN REPORT OF THE FEEDBACK ON THE CURRICULUM FOR
THE ACADEMIC YEAR 2021-2022**

The action-taken report based on the meeting held on 04.01.2023 is as follows:

Report on Positive Response:

The majority of the students of the Department of Mathematics (Shift II) are happy and satisfied with the overall curriculum of the institution. They feel that the curriculum addresses their learning needs, examinations & assessments are conducted on the basis of the syllabus and the syllabus is completed on time.

Problem 1:

Very few students felt that the key concepts in the syllabus do not match the course.

Action Taken:

Students were made aware that their syllabus gives the basic elements of the course they study which includes the topics covered in the course, hour-wise schedule, assessment methods, and their associated credits.

Problem 2:

Very few students felt that they did not acquire the necessary skill set upon the completion of their course.

Action Taken:

Students were made conscious of each course's objectives and the learning outcomes which they acquire upon the completion of the course.

Problem 3:

Very few students felt that the syllabus is not revised at periodic intervals.

Action Taken:

Awareness was given to the students regarding course revision. They were informed that according to the UGC norm, the UG syllabus is revised once in 3 years and the PG syllabus is revised once in 2 years according to the changing needs of both students and society in higher studies and placement.

Problem 4:

Very few students felt that sufficient books for students are not maintained in the library as per the syllabus.

Action Taken:

Students were made aware that for each course the textbooks and reference books are available in the library in the mathematics section. Also insisted on the availability of e-books, e-journals, and e-resources.

Problem 5:

Very few students felt that skill-based papers do not satisfy the industrial requirements.

Action Taken:

Students were made aware of how skill-based papers are distinguished from conventional theoretical papers and how they can develop their capabilities to get employability in various sectors, through new ways of thinking, problem-solving and computational knowledge.

ACTION TAKEN REPORT ON THE FEEDBACK ON CURRICULUM FOR THE ACADEMIC YEAR

2021-2022

The action taken report based on the meeting held on 30.08.2022 is as follows. The overall feedback on curriculum is good.

Problem 1:

Two students have disagreed to the statement: 'Syllabus is revised at periodic intervals'.

Action Taken:

This disagreement seems to have stemmed from ignorance on knowledge about syllabus revision. The report comes from 2nd B.Sc Psychology who are the first batch and hence, undertaking this syllabus for the first time. Students were informed about the minimum stature of time for a syllabus revision to occur. Input from students on their experience with their current syllabus was received.

Problem 2:

Three students have reported that syllabus is not completed on time.

Action Taken:

Mixed mode of classes in the odd semester posed a challenge in student understanding of concepts that were taught online. For the current year, syllabus was preplanned and is on track to be completed on if not before the 90th working day for each semester.

Problem 3:

One student disagreed to the statement: 'Sufficient books for students are maintained in the library as per the syllabus'

Action Taken:

It has been cross checked with the library that there are multiple books for each paper that can be borrowed or referenced. Students are also encouraged to look for pdf version of books that staff refer to using online library resources.

**ACTION TAKEN REPORT ON THE OVERALL FEEDBACK FOR THE ACADEMIC YEAR
2021-2022**

The overall feedback for the Academic year 2021-2022 was good. Most students responded 'agree' to the 15 questions.

Action Taken:

Student feedback showed their pride on being auxiliars. From their responses we were able to infer that they were satisfied with the curriculum, assessments and staff. The following steps have been taken to ensure better performance and learning experience for the students:

- Student involved learning through group presentations, seminars, observational reports, investigative essays and mini research projects that supplement their syllabus.
- Creation of study groups for all three years of the B.Sc Program.
- Remedial classes for the slow learners and student teachers to track their progress.
