The ASQC members of shift I & II organised World Animal Welfare Day Celebration Srilekha of II BCom had given a speech on 12.10.22 regarding the importance of animals and its protection during the assembly. To encourage the students to involve in Poster Presentation in the display boards. It is done to celebrate the relation between humans and animals. Animals are an important part our eco system and they in turn teach the true meaning of friendship.

4. The management, IQAC & ASQC members are invited the staff & students of shift I & II to observe NO DRIVE DAY on 4th November 2022. Students and staff of shift I & II actively participated and observed the rules and regulations of NO DRIVE DAY. It helps the environment and surroundings to be pollution free.

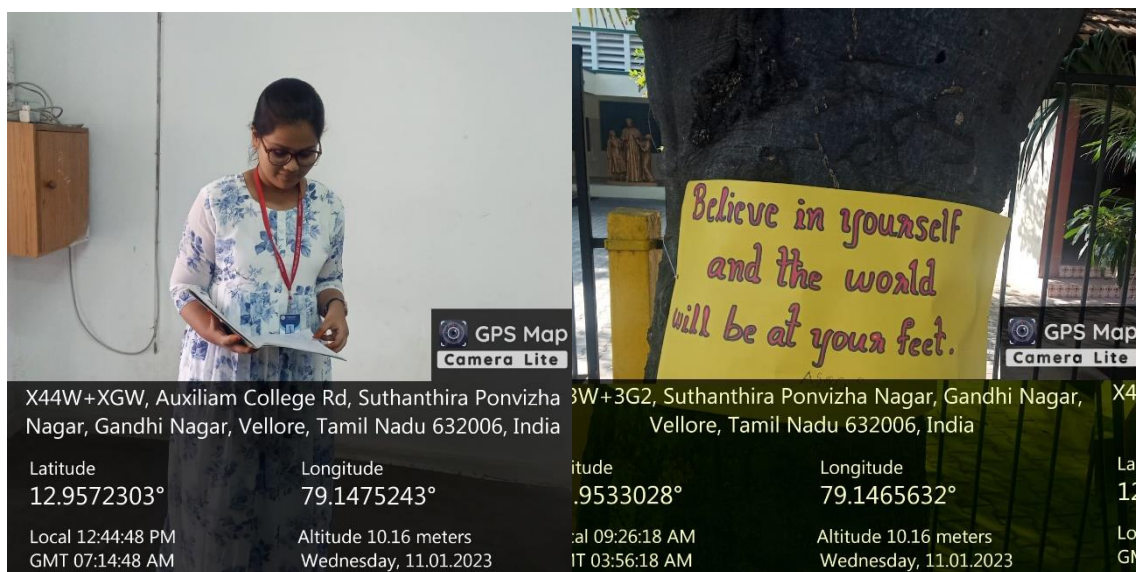

5. The ASQC members of shift I & II displayed in the notice boards about road safety and it's rules on 24-11-2022. This was to create an awareness regarding road safety to the staff and students. The management appreciated the initiatives taken by ASQC members.

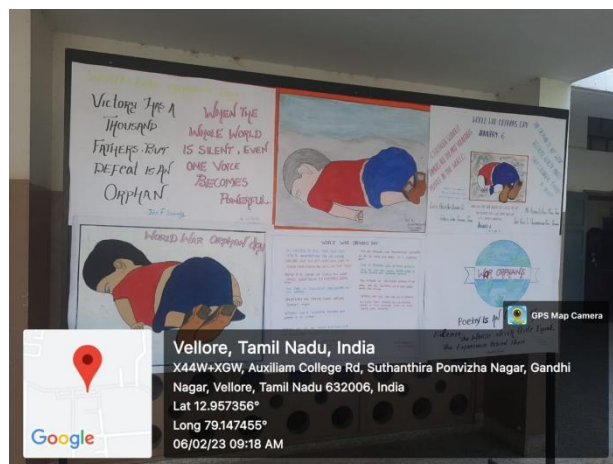

6. Regarding road safety and its rules, a student from III English A Infant Tony Rexleen gave a speech. This is to create an awareness among staff and students for a safe drive.

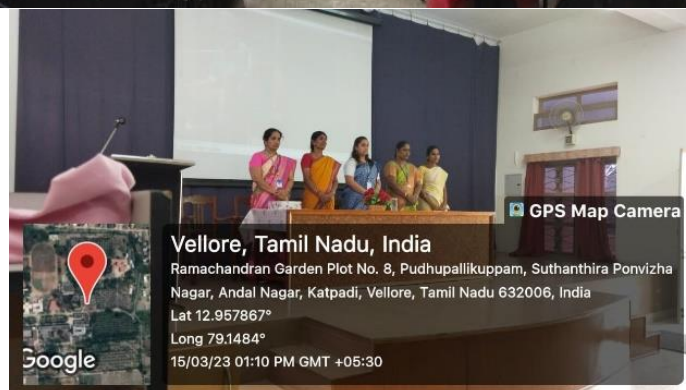

7. The ASQC members of shift I & II had displayed quotes of Swami Vivekananda in the campus on 11.01.2023. There was a speech delivered by Srilekha of III B.Com. To commemorate the birthday of Swami Vivekananda, this was arranged for the staff and students to experience the intellectual and spiritual essence.

8. The ASQC members of Shift I & II organised World War Orphan Day (Jan 6). A student of Mathematics delivered a speech on 03.02.2023. The students drew, painted and displayed the quotes in commemoration of World War Orphan Day on 06.02.2023. This made us realise the cruelty of war and its consequences.

9. The management, IQAC & ASQC, members organised an awareness programme on "Social Justice " on 15.03.2023 at 1 pm to 2 pm in the computer block seminar hall. All the ASQC members shift I & II attended the seminar and benefited. The Resource person Ms. Iyshwarya G, Assistant Professor, Department of Psychology, Auxilium College (Autonomous), Vellore had delivered a wonderful speech about constitution's rules and justice prevalent in the society. Students participated actively.

10. The ASQC members of Shift I & II organized a "Flash Mob" based on water conservation. Both shifts participated in flash mob separately. World water day is celebrated on 22 march every year since 1993, celebrates water and raises awareness of the living without access to save water. The performance turned out to be a crowd puller and mesmerized the students. The students posted slogan on water conservation in the campus. The management, staff and students appreciated the initiative taken by ASQC members.
