

Event : SIP 2026 – SHIFT II – Day 2

Date : 18/06/2026

Organised by : Auxilium College (Autonomous)

Academic Year : 2026 - 2027

Report :

The second day focused on helping students understand the institution's values and academic framework.

The first session, titled Institutional Heritage and Behavioural Standards, was led by the internal resource persons Dr. Abi Beaulah G., Deputy Vice Principal, and Dr. Shanbagavalli G., Dean of Students Welfare. The speakers highlighted the rich heritage of Auxilium College, its core values, discipline, and behavioural expectations. Students were encouraged to uphold the institution's standards and actively contribute to its academic environment.

The next session on Programme Structure and Curriculum was handled by the respective Heads of Departments. Students were introduced to the curriculum, course outcomes, academic regulations, and assessment methods relevant to their programmes.

The next session, titled *Creative Pursuits and Artistic Expression*, was organized by the Department of English. The session encouraged students to explore their creativity, enhance their communication skills, and express their talents through various artistic and literary activities.

The day's activities concluded with a session on Physical Fitness and Sports Infrastructure led by Dr. Bindu B., Directress of Physical Education. Students were introduced to the college's sports facilities and were encouraged to participate in physical and recreational activities for their overall well-being.
