

Event Name : PG Paper Presentation Competition

From Date : 28.08.2025

To Date : 28.08.2025

Organised by : PG and Research Department of Chemistry & ChemSphere Club

Academic Year : 2024 – 2025

Report:

The PG & Research Department of Chemistry and *Chemosphere* Club organized PG - Paper Presentation on **28th August 2025 at 2.30 pm**. The programme was compered by Jeevitha B and Brindha S began with a prayer song. **Savitha S., the PG association secretary from II M.Sc. Chemistry** delivered the welcome address, extending greetings to the judges, **Dr. Sungathakumari V** and **Dr. Sangeetha Rani R**, along with faculty, dignitaries, and students. The highlight of the event was the **PG paper presentation competition**, where students presented on emerging topics in Chemistry, including bioorthogonal chemistry, microplastic pollution and detection, food industry waste repurposing for energy storage, decarbonisation, and metal-organic frameworks for CO₂ capture. Among the participants, **Sr. Melinda** secured the **first place** for her presentation on repurposing food industry waste, while **Kavitha P** won the **second place** for her presentation on bioorthogonal chemistry. The programme concluded with a vote of thanks by **Rosaline Elisabeth from II M.Sc. Chemistry**, followed by the College Anthem. Overall, the event was successful in providing a platform for students to showcase their knowledge and research skills.
