Report:

PG & Research Department of Commerce organized a **Month Value Presentation** on the theme “**Integrity**” on 12th September 2025. The presentation aimed to highlight the importance of being honest, truthful, and morally upright in all aspects of life. The students creatively conveyed the message through an engaging **skit**, which depicted real-life situations emphasizing how integrity guides individuals to make the right choices even when faced with challenges. The performance beautifully illustrated that following the **moral values of life**—such as honesty, responsibility, and fairness—forms the foundation of a person’s character and builds trust in society. The skit was both **thought-provoking and inspiring**, leaving the audience with a strong reminder that integrity is not just about words but consistent actions that reflect one’s true values. The teamwork, expression, and enthusiasm of the students were highly appreciated by the faculty members and fellow students. Overall, the presentation by B.Com ‘A’ Section was a commendable effort that successfully conveyed the essence of living an **integral and value-based life**.
