**Report:**

The NSS Unit proudly presented the World Record recognition received for the Mass Hb Test Drive, a significant initiative aimed at creating awareness on anemia among young women. This remarkable achievement, recognized by the Asia Book of Records and the India Book of Records, was showcased as part of the Golden Jubilee celebrations of the NSS Unit, marking 50 years of dedicated service to society. The moment became even more significant during the visit of the Mother Provincial, when the achievement was formally showcased. The programme highlighted the collective efforts of the NSS Unit in promoting women's health and preventive care, and the occasion was graced by the Mother Provincial, who appreciated the initiative and bestowed her blessings.
