Report :

A Blood Donation Camp was organized by Auxilium College (Autonomous), Vellore, in collaboration with Christian Medical College (CMC), Vellore, on 25 August 2026 (Tuesday) from 9.00 a.m. to 5.00 p.m. The programme was jointly supported by the National Service Scheme (NSS), Youth Red Cross (YRC), Red Ribbon Club (RRC), and Kanali Women's Cell of Auxilium College.

The camp was organized with the noble objective of creating awareness about the importance of voluntary blood donation and encouraging students and members of the community to contribute towards saving lives. The programme emphasized the message “Donate Blood Save Lives Be a Hero”, highlighting the significant role of blood donors in supporting patients in need.

The session was expertly led by Dr. Delin Edvin and Ms. Priyanka Sekar(PRO).The medical team from Christian Medical College, Vellore, conducted the screening and blood collection process in a systematic and professional manner. A total of 152 participants were screened, and 65 eligible donors generously donated blood. The enthusiastic participation of the students, staff, and volunteers contributed significantly to the success of the camp.

The camp also served as an important awareness programme, helping participants understand the value of regular and voluntary blood donation. The initiative fostered a spirit of compassion, social responsibility, and community service among the participants. The Blood Donation Camp was successfully conducted and achieved its primary objective of promoting voluntary blood donation and contributing to the availability of blood for those in need. The event was a meaningful initiative that demonstrated the commitment of Auxilium College and its collaborating organizations towards community welfare and saving precious lives.
