

Event : History Association - Resource Talk

Date : 09/07/2026

Organised by : Department of History

Report :

The Department of History and Computer Applications, in collaboration with the Cyber Security Club, Auxilium College (Autonomous), Vellore, organized a guest lecture on "Preserving the Past in a Digital World" on 9 July 2026 from 1.00 p.m. to 2.00 p.m. in the College Auditorium. The programme was conducted in alignment with Sustainable Development Goal (SDG) 11: Sustainable Cities and Communities, emphasizing the importance of preserving cultural heritage through digital technologies.

The session was delivered by Ms. Sivapriya K., Director, Redback IT Solutions, Vellore, who served as the Chief Guest and Resource Person. She highlighted the significance of digital preservation in safeguarding historical records, manuscripts, monuments, photographs, and archival materials for future generations. She also explained how modern technologies such as digitization, cloud storage, artificial intelligence, and Cyber security play a vital role in protecting valuable historical and cultural resources.

The resource person encouraged students to explore the integration of history and technology and emphasized the need to preserve heritage in the digital era. The interactive session enabled students to gain practical insights into digital documentation, data security, and career opportunities in the fields of digital heritage and information technology.

The programme was organized under the guidance of Dr. (Sr.) Mary Josephine Rani A., Secretary, Dr. (Sr.) Arokia Jayaceli A., Principal, Dr. (Sr.) Amala Valarmathy A., Vice Principal, and Dr. Abi Beaulah G., Deputy Vice Principal. The event was coordinated by Dr. (Sr.) Sumathi M., Head and Assistant Professor, Department of History, and Dr. Kavitha S. and Dr. Anita Madona M., Heads i/c and Assistant Professors, Department of Computer Applications,

The programme concluded successfully with active participation from students and faculty members.
