

Event Name : “Green Strokes: An Art Contest” In Commemoration of World Nature Conservation Day

Date: 23.07.2025

Time: 10:00 a.m.

Venue: Outdoor Stadium

To mark the occasion of **World Nature Conservation Day**, the **Health and Fine Arts Club (Shift II)** of Auxilium College (Autonomous), Vellore, organized an innovative **drawing and painting competition** entitled “**Green Strokes: An Art Contest**” on 23rd July 2025 at the Outdoor Stadium.

The event revolved around the powerful theme: “**Every Act Counts – Conserve to Serve**”, emphasizing individual responsibility in conserving the environment for collective well-being.

The contest highlighted **sustainability and eco-conscious creativity**, where participants were strictly instructed to use **only organic and reusable materials**. Students expressed their artistic flair using Coconut shells, Stones or pebbles, Used or waste fabric (cotton/khadi/old garments). Eco-friendly paints such as fabric paints, natural dyes, and suitable acrylics were encouraged to promote environmental awareness through art. The competition witnessed enthusiastic participation from students who showcased unique and thoughtful artwork aligned with the theme. The artworks creatively conveyed powerful messages about conservation, sustainability, and environmental responsibility. Dr. Abi Beulah G, who served as the judge, appreciated the innovation and meaningful efforts of the participants. The event successfully instilled environmental consciousness and artistic innovation among the students, making it a meaningful tribute to World Nature Conservation Day.
