Report :

A Parent–Teacher Meeting was conducted on 26th February 2026 at 1.00 p.m. in the College Auditorium of Auxilium College (Autonomous), Vellore for the Departments of Physics, Chemistry, Zoology, Microbiology, and Biochemistry. The meeting focused on **Student Career Support and Motivation**, aiming to strengthen academic guidance and career planning for students.

The programme was organized under the leadership of Dr. (Sr.) Mary Josephine Rani A., Secretary, and Dr. (Sr.) Amala Valarmathy A., Vice Principal. The welcome address was delivered by Dr. G. Aruna, Dean of Science, who warmly greeted the parents and highlighted the significance of collaborative efforts between parents and faculty members.

The Principal Sister addressed the gathering and emphasized the importance of academic excellence, higher education opportunities, and career advancement. She encouraged students to enhance their skills and maintain consistent academic performance.

During the feedback session, parents expressed their appreciation for the discipline maintained by the institution. They shared that the college plays a vital role in helping their children overcome timidity and build self-confidence. Parents acknowledged that the supportive environment of the college contributes significantly to the holistic development of their children. The meeting concluded with a vote of thanks proposed by Dr. Shenbagavalli, Dean of Student Welfare, marking the successful completion of the programme.
