

Event Name : Resource Talk

From Date : 23.07.2025

To Date : 23.07.2025

Organised by : PG and Research Department of Chemistry & ChemSphere Club

Academic Year : 2025 – 2026

Report:

On July 23, 2025, Dr. G. Madhumitha, Associate Professor of Chemistry, SAS, VIT, Vellore, delivered a resource talk entitled “Development of Pharmaceutical Agents from Nature”, organized by the ChemSphere Club of the PG and Research Department of Chemistry, Auxilium College, Vellore. The event began with a prayer song, followed by a welcome address and introduction of the resource person by Dr. R. Sangeetha Rani, Assistant Professor of Chemistry. In her talk, Dr. G. Madhumitha emphasized that natural compounds remain a valuable source for new drug discovery and highlighted the importance of conserving natural resources for future pharmaceutical research. Dr. J. Rosaline Ezhilarasi, Associate Professor and Head of the PG and Research Department of Chemistry, felicitated Dr. Madhumitha with a token of appreciation. The event concluded with a vote of thanks by Vigneshwari, Secretary of the ChemSphere Club, followed by the college anthem.
