Academic Year : 2024 – 2025

Report:

The International Conference on Frontiers in Material Science for the Sustainable Future was held on 17th September 2025 at Auxilium College (Autonomous), Vellore, organized by the PG and Research Departments of Chemistry and Physics in association with Saveetha Dental College and ACT. The event began with a prayer and lamp lighting ceremony, followed by a welcome address from Dr. Sr. Venci and an overview by Dr. B. Scholastica Mary Vithiya. Dr. Sr. Mary Josephine Rani delivered the keynote address, and Dr. Sr. Arokia Jayaceli, the Presidential address. The inaugural address by Dr. Daniel Chellappa inspired participants, and Dr. Devi proposed the vote of thanks. Technical sessions featured talks by Prof. Ikhyun Kim on shock wave applications and Prof. Venkatesan R on electrochemical energy materials. In the afternoon, forty researchers presented papers. The Valedictory Session, led by Dr. Geetha, concluded with prize distribution, feedback, and the National Anthem, marking a fruitful academic event.
