Report:

The Orientation Programme for the students identified with anaemia during the Mass Hb Test Drive was organized as an important follow-up initiative to ensure sustained health awareness and care. The programme aimed at educating the students about the causes, symptoms, prevention, and management of anaemia, with special emphasis on nutrition, lifestyle modification, and the importance of regular health check-ups. Dr. Lakshmi, Medical Officer, Primary Health Centre, Tharapadavadu, and Dr. Shanthi, Medical Officer, Primary Health Centre, Kangyenellur, provided practical guidance on identifying symptoms, adhering to prescribed treatment, and adopting healthy dietary practices.
