

## Cyber Club Activity Report

**Event:** Poster Presentation Competition

**Topic:** Raising Awareness About Online Safety

**Date:** 16.07.2025

**Venue:** Computer Block

To promote safe online practices among students, the Cyber Security Club organized a Poster Presentation Competition on the theme **“Raising Awareness About Online Safety.”** The event aimed to educate participants and viewers about important online safety measures such as protecting personal information, recognizing cyber threats, and practicing responsible internet usage.

A total of **51 students** from various departments enthusiastically participated in the competition. Each participant showcased their creativity and understanding of the topic through informative and visually engaging posters. The competition was judged by **Dr. Gina George, Assistant Professor & Head i/c, Department of Computer Applications**, who appreciated the efforts of the students and provided valuable feedback on their presentations. She emphasized the importance of digital awareness in today’s technology-driven world and encouraged the students to continue learning about cyber safety.

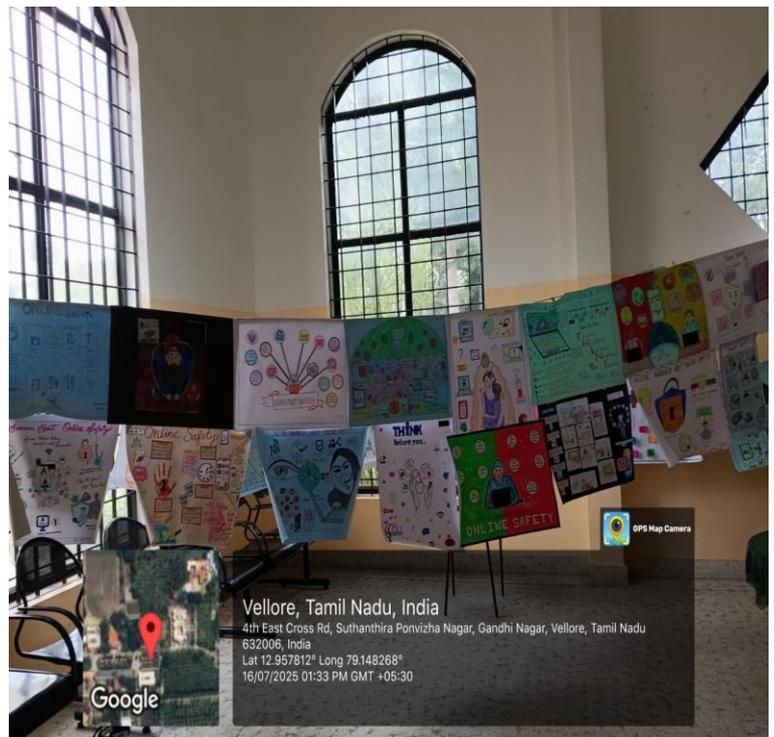

### Winner’s List:

**I Prize** – Zeenath Nabeela – I BCA B

**Event: Awareness Programme on Cyberbullying**

**Date:** 25th August 2025

**Time:** 11:30 A.M.

**Venue:** College Auditorium

The PG & Research Department of Commerce, in collaboration with the Cyber Security Club and the Cyber Crime Department, organized an Awareness Programme on Cyberbullying on 25th August 2025 at 11:30 A.M. in the college auditorium. The event was aimed at sensitizing students about the increasing threat of cyberbullying and the measures to prevent and address it effectively. The session was enriched by the valuable insights of the following esteemed resource persons from the Cyber Crime Police Station, Vellore District:

- Tr. M. Rajinikanth – Inspector of Police
- Tr. A. Sathishkumar – Sub-Inspector of Police

These officers shared their experiences and provided practical tips on cyber safety, legal consequences of cyberbullying, and the importance of reporting such incidents. They explained about cyberbullying, its types, and real-life case studies. Encouraged the students to be a responsible digital citizen. The programme concluded with a vote of thanks and a collective commitment to creating a safe and respectful digital environment. The awareness session proved to be both informative and empowering for the participants.

**Event:** Quiz Competition

**Topic:** Emerging Threats & Trends

**Date:** 19.09.2025

**Venue:** Computer Block

To enhance awareness and knowledge about recent developments in the field of cybersecurity, the Cyber Security Club, Department of Computer Science and Applications, Auxilium College (Autonomous), organized a **Quiz Competition** on the topic “**Emerging Threats & Trends.**” The event aimed to test and strengthen students’ understanding of current cyber threats, technological advancements, and evolving trends in the digital security landscape.

A total of **students from various departments** actively participated in the competition with great enthusiasm. The quiz comprised multiple rounds covering topics such as cyber attacks, data privacy, emerging technologies, and digital safety practices. The participants demonstrated keen interest, quick thinking, and strong conceptual knowledge throughout the event. The competition encouraged healthy competition and helped students stay informed about the latest challenges in the cyber world.

The event concluded successfully with active participation and positive feedback from both participants and organizers. The quiz competition played a vital role in promoting cyber awareness and motivating students to stay protected in the digital age.

## **Event: Video Making Competition**

**Theme:** *Smart Women – Secure Nation*

**Date:** 12 December 2025

**Time:** 12.00 P.M.

**Venue:** Computer Block

The Cyber Security Club successfully organized a **Video Making Competition** on **12th December 2025 at 12.00 P.M.** in the **Computer Block**.

The competition was conducted with the theme “**Smart Women – Secure Nation**”, aiming to create awareness among students about the role of women in promoting cyber safety, digital empowerment, and responsible use of technology. The event highlighted the importance of educating and empowering women to build a safe and secure digital nation.

Students actively participated and creatively expressed their ideas through short videos. The participants showcased their creativity, technical skills, and understanding of cybersecurity concepts related to online safety, digital awareness, and women’s role in cyber security. The videos delivered strong awareness messages in an engaging and informative manner.

The competition was judged by **Dr. Kavitha S., Assistant Professor, Department of Computer Applications**, who appreciated the students’ efforts and provided valuable feedback on their presentations.

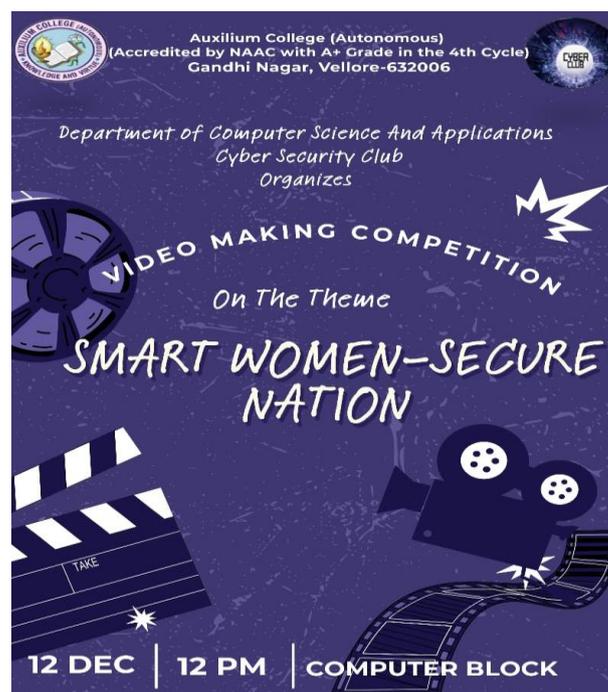

### **Winner’s List**

## **Event: Elocution Competition**

**Theme:** *Cybersecurity Careers: Skills That Matters*

**Date:** 30 January 2026

**Time:** 12.00 P.M.

**Venue:** Computer Block

The Cyber Security Club organized an **Elocution Competition** on **30th January 2026 at 12.00 P.M.** in the **Computer Block**.

The competition was conducted with the theme **“Cybersecurity Careers: Skills That Matters”**, aiming to create awareness among students about emerging career opportunities in the field of cybersecurity and the essential skills required to succeed in the industry.

A total of **8 students** actively participated and delivered insightful speeches highlighting technical skills, analytical thinking, ethical responsibility, and continuous learning as key components of a successful cybersecurity career. The participants demonstrated strong communication skills, subject knowledge, and confidence while presenting their ideas.

The event provided a valuable platform for students to enhance their public speaking abilities while gaining a deeper understanding of cybersecurity career paths. The competition was judged by **Dr. Kavitha S., Assistant Professor, Department of Computer Applications (Shift-I)**, who appreciated the students' efforts and provided constructive feedback.
