

STUDENT INDUCTION PROGRAMME

Auxilium College conducts **Student Induction Programme** (SIP) for first year undergraduate students every year. The purpose of Student Induction Programme helps new students to adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members and expose them to a sense of larger purpose and self-exploration.

Student Induction Programme engages with the new students as soon as they come into the institution before regular classes start. At the start of the induction, the incumbents learn about the institutional policies, processes, practices, culture and values. Students Induction covers a number of different aspects (SAGE):

Socializing: Meeting other new students, senior students, students union, and lectures by Eminent People.

Associating: Visit to departments and important places in campus.

Governing: Awareness on rules and regulations, student support, etc.

Experiencing: Small-group activities, physical activity, creative and performing arts, literary activities, universal human values, etc.
